THIS · MONTH · IN · CLUB

Cindy — she's a rear admiral!

Students of literary style — of which Club numbers many thousands among its huge and throbbing readership — might have guessed that the editorials haven't been written by the Editor for the last few months. Well, I've been away. To be honest, I had a bit of a breakdown. I went to my personal brain care specialist, Dr Sigmund Fraud, and asked his advice.

"Siggy," I said, "what's the point of me knocking out loads of stupid words that nobody reads when there are girls in this world as beautiful as Cindy, Gina and Marisa? It all seems so worthless. How can I find a reason for my existence when nobody reads a word I write?"

"Yes," said Dr Fraud. "You've got a point there."

He may not be much of a one for the talking, old Siggy, but he knows a good treatment when he sees one. He prescribed three months locked in a darkened room having my temples rubbed by Cindy, my feet massaged by Gina and jelly massaged into my nether regions by Marisa. It seemed to do the trick, and now I'm quite happy to write loads of crap as long as they don't stop.

I was a bit worried that editorial standards would drop while I was away, but not a bit of it. Perusing the last few issues, I see they are filled with rambling, stupid copy, littered with spelling mistakes, and that whenever something says "Continued on page 17" it is, in fact, continued on page 32 and a half, if it's continued at all. This is the policy which has made Club the great magazine it is, and I'm sure we'll all want to give a vote of thanks to Deputy Assistant Editorial Commissioner Swift, Chief Production Copy Supremo (Page Numbers) Guy and Bill the Freelancer for their valiant efforts.

That just about wraps it up for this month, apart from noting that I have now got through the entire editorial without once mentioning Christmas, or our brilliant free poster and calendar, or the Girl of the Year vote. Oops! — *The Editor.* ♣

All Club girls are special, and that includes beach beauty Bridgette who appeared in Vol 20 No 11.

"Oh, Bridgette," writes Ian from Kent, "oh, Bridgette, oh... " *(that's quite enough young man — The Ed).*

We don't even think that Bridgette realised how popular she was when she dropped by the Club HQ to pick up the fan mail that arrived for her. "I was expecting a letter or two," laughed Bridgette, "but three whole sackloads!"

In fact the only person who wasn't happy was Percy the postman, who had to lug the lot up four flights of stairs. "You don't make my job any easier," he groaned. "Letter after letter... what's so good about Bridgette anyway? Cor! Pheww! Strewth... " ♣

IN·THE·BAG

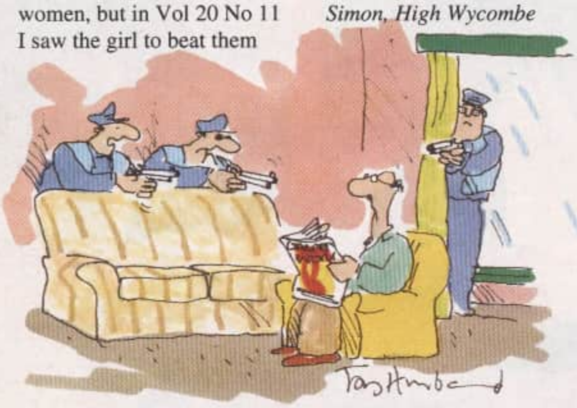
If you've been at it like a rabbit, then send your rampant ramblings to: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

Heidi-Hi!

I've been a dedicated reader of Club for about three years now and I have to say that it's definitely the best magazine around.

In that time I've seen a large number of very sexy women, but in Vol 20 No 11 I saw the girl to beat them all... I am, of course, referring to Heidi. With her sexy smile, shining brown hair and perfectly developed body, she made my day.

I'd like to congratulate Club on bringing this beautiful girl to my avid attention. Thanks a lot! — *Simon, High Wycombe*



Okay, throw down your copy of Gardeners World... slowly!

Well, Simon, you're in luck! Simply turn to page 92 and you can see more of Heidi — the Ed.

Tit's The Real Thing

I have to admit that, when it comes to ladies, I'm a confirmed tit man, and I'm glad to say that Club easily satisfies my desire to see some of the world's sexiest women with beautiful breasts. The only trouble is that where I live it's hard to find anything but flat-chested girls; but thankfully this sad situation has recently changed for me.

I was down at my local pub last month, when in walked a lady who was the spitting image of Jane who appeared in Vol 20 No 11. She had the same flowing blonde hair, a nice figure; but most importantly, she possessed a truly magnificent pair of tits — just like Jane, in fact.

As soon as I set eyes on her, I couldn't stop staring at her. She was absolutely beautiful. She obviously wasn't wearing a bra, because whenever she moved her breasts would jiggle around under her flimsy blouse. I knew that I had to have her, and I walked over and shamelessly chatted her up.

She told me that her name was Samantha, and to cut a long story short, we got on famously; so much so, that when the pub closed, I offered to walk her home.

There's a nice little park near my local, and when Samantha suggested we walk through there, my cock almost leapt out of my trousers on the spot. It became obvious that we weren't there for the scenery; and when Samantha led me

SUCK OF THE MONTH
The Tequila Lolly with Fried Worm

If a girl's gonna slip something between her lips, it might as well be a stiff one. That's the thinking behind the first tequila flavoured lollipop currently on sale in California. The drink on a stick sells for $1.25, but if that sounds expensive for this harder-than-hard liquor, rest assured, the Californians believe in giving their suckers an

Dear Miriam,

Thank you for making last month the most enjoyable for a long time! After seeing you in Vol 20 No 11, you've been constantly on my mind.

My fantasy would involve you being a model on a catwalk. There would be hundreds of people watching you strut your stuff, and I'd be in the front row, staring longingly at you. As you notice me, you'd stop modelling and beckon for me to get on the catwalk with you, and as I approach you'd slip out of your dress. Your nipples would be erect, and I'd bend down and kiss them, while gently rubbing your clitty with my hand.

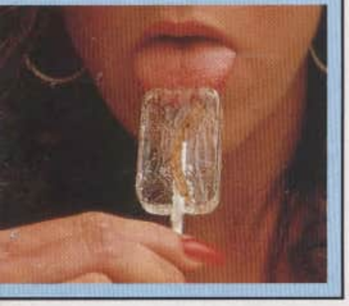
Then I'd lay you down on the catwalk and run my fingers across your body, sending little shivers through you, before spreading your long legs wide apart and licking your pussy. How does that sound to you, Miriam? — *Andy, Torquay*

It sounds great, Andy! You've obviously got a very big exhibitionist streak in you — and so have I. Our fantasies are pretty similar — I'd like nothing more than to have a load of strangers watch me having sex.

Hopefully a fella like you could satisfy me. I have an insatiable sexual appetite, and I'd need a good screwing after you tongued my pussy. I'd take your cock in my hand and guide it into my hole, wrapping my legs around your neck, so you could penetrate deep inside me. My fingers would tickle your back as you pumped into me, making me scream loudly as I orgasmed. The people in the audience would still be watching and they'd clap, amazed at our performance.

Phew! Just thinking about it has got my pussy juices flowing, Andy. I guess I'll have to go and do something about it now! — ***Miriam*** ♣

even break. The lolly also contains a snack in the form of a freshly fried worm. Why? Well, we couldn't quite wriggle that out of the manufacturers, but they say they are selling hundreds a week — presumably to pissed robins *(Hence the phrase tequila mocking bird, ha-ha! — the Ed) (Oh, fuck off — author) Next month: The Walls brown ale flavoured lolly with grilled slug.* ♣



towards a nice patch of grass, I knew my luck was in. She told me to lie down on the grass, and then she stood above me, so that I could see up her skirt, and I realised that she wasn't wearing any panties!

"My pussy's aching to be licked," she purred, and then she lowered herself over my mouth. Of course, I got to work straight away, eagerly lapping up her juices, whilst I massaged her curvy bum. Her cunt tasted wonderful, and I pushed my tongue as deep into her love-hole as possible. All the while Samantha was screaming out loud, as she ground her pussy mound onto my face.

Finally her hips bucked

Marisa has certainly got the looks that would make any man hot under the collar, but the history student from Penge has got her sights set higher than just the modelling world.

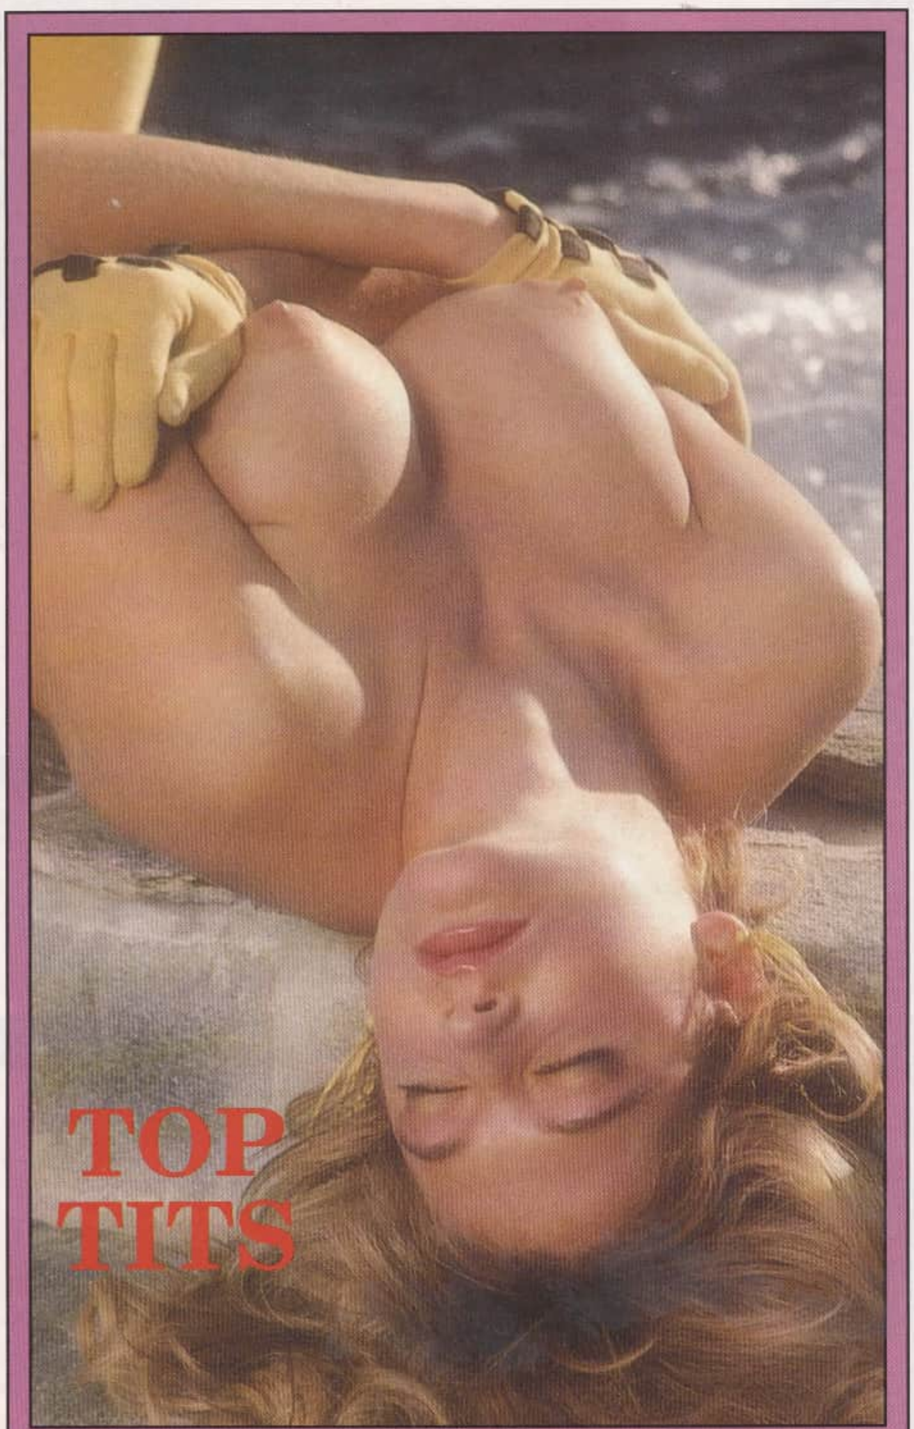
"Move over Madonna," she purrs, in her husky voice, "because here comes Marisa. I've got the voice, the ambition, the looks... and a lot more besides! I reckon that any red-blooded

man would enjoy watching me on stage, don't you?"

Oh, we don't think that there's any doubt about that, Marisa.

"And I've been practising all the moves in my bedroom mirror," she tells us, proudly. "You know the sort of thing; pouting my lips, swaying my hips from side-to-side and sticking my bum right out. And just remember, fellas; if you want my body and you think I'm sexy, just come along and tell me so!"

We will, Marisa, we will! ♣



TOP TITS

This month, the continuing Top Tits Tour of the Twin Hemispheres has got lost. We're somewhere to the West of England, desperate to find a pair of pert parts. We did see a hopeful sign saying Brecon Beacons, but since then the scenery has been as flat as a pint of British beer. We even tried asking this guy in some place consisting entirely of consonants, but he was either foreign or pissed out of his brain.

Oh, shit — silly me, my mistake! We're in Wales, home of... er, well nothing, to be honest. But the principality is just like a well-built woman. There are big mountains in the North, and deep dark valleys in the South, which some men spend many hours digging inside. Welsh women are huge. They have bigger curves than Indianapolis and are nearly as dangerous. If you're unfortunate enough to get walloped by a pair of wobbling Welsh whammers, like a flasher in February, you'll be out and cold.

But some of these mammary mountains are well worth climbing. There are handholds aplenty on their steep slopes, though you might get a bit breathless as you work your way up. But most importantly, whatever you do, don't fall into the crevasse between two of these spectacular peaks — you could be lost for weeks.

The Prince of Wales and its whammers is, of course, Prince Charles. I reckon he's just the right man for the job. He's a right tit. — *George Breast OBE (You'll be lucky — Charles)* ♣

GOBBLE!

Nat and the Beanstalk

With no bird to stuff this Christmas — Ninja's still AWOL with the Bionic Cock — **Nathaniel Fatbastard** has gone all thespian and is playing Baron Hard-on in Cinderella. Does a stage career beckon for Nat; or is it curtains for our fat friend?

I've always loved performing, and ever since I was a schoolboy I've had large parts. My drama teacher at boarding school, Mr Toucher, even said I was naturally gifted in that department. He was the one who showed me how to handle my long bits during *A Midsummer's Night*, and claimed that, under him, I'd make it really big. Sure enough, soon my Bottom was one of the most popular attractions amongst arty sixth formers, and numerous fags offered to help me touch up my *Coriolanus*. Even now, there's nothing I like more than getting a big hand out front or hamming up a big entrance. And if I meet a Shakespeare-loving sexpot, it's only a matter of minutes before I get old Willy out and give her the complete works.

But being I'm a famous bon viveur, I have very few opportunities to get up on stage with some leading lady — instead I usually have to settle for watching a couple of thespians on the video getting their tongues around the tricky bits of the *Merry Wives*. So when world-famous impressario Bernard Dullcunt said that he'd like me to appear in the West End this Christmas, I was flattered.

I was to play at the *London Fallopian*, a cosy little niche which is easily recognised by its warm inviting entrance decorated with red plush. The piece? *Cinderella*, that most traditional of pantomimes starring Aussie pop star Jason Dunnivan as Buttons Down Under. Rehearsals started two weeks ago and I have been enjoying them enormously, even if the show is as dull and overcast as an English seaside summer holiday.

Although Jason and I are recognised as the biggest draws since Tessie O'Shea's knickers, there are a couple of other minor celebrities in the show. Cinderella is played by ex-Page Three girl Samantha Fux. This is not her first panto, she says. Last year she played Sammy the cabin boy with the big chest in *Long John's Pleasure Island* at the Alhambra, Cleethorpes. The year before she went to Llanelli to play Tittybelle in *Peter Porn* and prior to that she played the Pussy in *Cat Whittington and his Dick* at the Winter Gardens, Tipton.

The others in the show are the sort of television celebrities that you only ever see on a Saturday teatime in summer. The broker's men are chronic comedy double act, Sid Shitty and Eddie Crap. Superchronic Sid has about as much meat on him as a butchers pencil, whilst Eddie is fat with a seventies perm like a Brillo pad. The music comes from middle of the road singers Swete 'n' Sickly (Nigel and Nick) who were once entered in the Eurovision Song Contest — fortunately it didn't affect their singing voices, though they did stand rather oddly. Breakfast TV's keep fit queen Anna Rexia is the Good Fairy, whilst the funny one is played by Doris Beauchamp, a classically trained actress perhaps best known for her portrayal of Vera Slagg in TV's comedy funeral series, *On the*

Hearses. The Ugly Sisters are two talentless tonks from Bradford. I play the wicked Baron Hard-on.

Last night we had our very first performance in front of the public. The local vegetable patch, St Saliva's Hospice for the Terminally Inane, were coming along to watch the dress rehearsal, so for the first time the stars went to their respective dressing rooms. Jason and I were sharing No 1, the same room that diddle man Ken Dudd-Cheque occupied last year. In fact, I sat on the very crate in which he took home his fee in cash.

I have to admit it, I was a bit nervous. In fact, my runs were longer than Andrew Lloyd Webber's, and just about as pleasant to listen to. So I calmed my nerves with some dutch courage — 12 cans of Slimykan Export Strength lager from Amsterdam (£10.99 plus 12.7425% extra free), followed by a celebratory bottle of Mamms Champagne (£15.99) — before sliding into my tights with the aid of two tyre levers and a spoon.

As I sunk a few quick brandies on the crapper (or the No 2 dressing room, as I call it), the band played the opening number for the market place scene. Full of carefully rehearsed exuberance, the 'babes' leaped on and started singing. 'Babes' was about right — they were usually premature, and always came out at the wrong place. They were not the only problem. Cinderella's frock had been made for last year's star, Fuck's Bizz singer Cherry Taker, and it just couldn't cope with Sam's massive mamms. Her tits fell out more often than the Tory cabinet under Margaret Thatcher. Then the Ugly Sisters had a lover's tiff over who was to throw the boiled sweets into the gallery, Shitty and Crap completely forgot their lines and went into their blue routine, and TV-AMateur's keep-fit girl, The Thin Goddess pulled a muscle — sadly not mine!

Inevitably, it was left to Dunnivan and me to save the show. Jason's hit, *Too Many Ropey Old Tarts In The World* (Aristjob records £1.50) had all the young girls (and music lovers) screaming loudly and the weenies wetting their Y-fronts, then it was my turn to inject a few laughs into the show, even if the script didn't.

"Crikey," cried Big Cin, "it's my wicked Uncle, Baron Hard-on," as I strode on purposefully.

"Fuck me, look at the size of those," I cried wobbling her whammers for the benefit of the older members of the audience. "If it's not the Hunchfront of Notre Dame!"

There was a nervous giggle from the auditorium.

"Oh, a couple of little titters in the audience," I continued. "Never mind, missus, we can't all have whoppers like old pumpkin-chest here."

Cinderella sobbed, somewhat more convincingly this time. Buttons put his arm as far round her as he could.

"Err, Cinderella is upset 'cos she can't go to the Ball," Buttons said lamely.

"Balls, that's all she ever thinks about, that one!" I bellowed. "She's never happy unless she's got some guy in the palm of her hand!"

I could tell by the audience's stunned silence, like Cinders, I had them exactly where I wanted them.

"Hey, that went down well!" I continued. "Mind you, not as well as she does, if you know what I mean! But... Ere, Buttons, do you know why they call her Cinders?"

"Err... no, I don't think that I do," replied the Aussie uncertainly.

"Well, it's because if she doesn't get a good poke she goes out! Ha-ha-ha!!"

Cinderella's acting must have improved considerably. She started bawling like a baby, and she really looked like she was crying.

"Never mind him," consoled the warbling roo-fucker. "Come over here and warm yourself by the fire."

"No good there, cobber!" I adlibbed in my best Australian accent. "My niece never does things by hearths. The kitchen table's her favourite. Her tits have been squashed on the pine worktop so often, she's got the only garbonzas with a built-in grain. Or are they stretch marks? Anyway I — urgghhh!"

At that moment I found myself being dragged off by the two ugly faggots and was locked in the dressing room. I had been warned about professional jealousy, but this was taking bitchiness too far. Still I did get my own back. I pissed in the glass slipper just before Cinderella had to try the thing on!

The producer reckons I might be a bit 'big' for this pathetic panto, so I'm negotiating for my very own one-man show. *Nathaniel Fatbastard Gives It To You Straight* will be on tour around the country from February. ♣

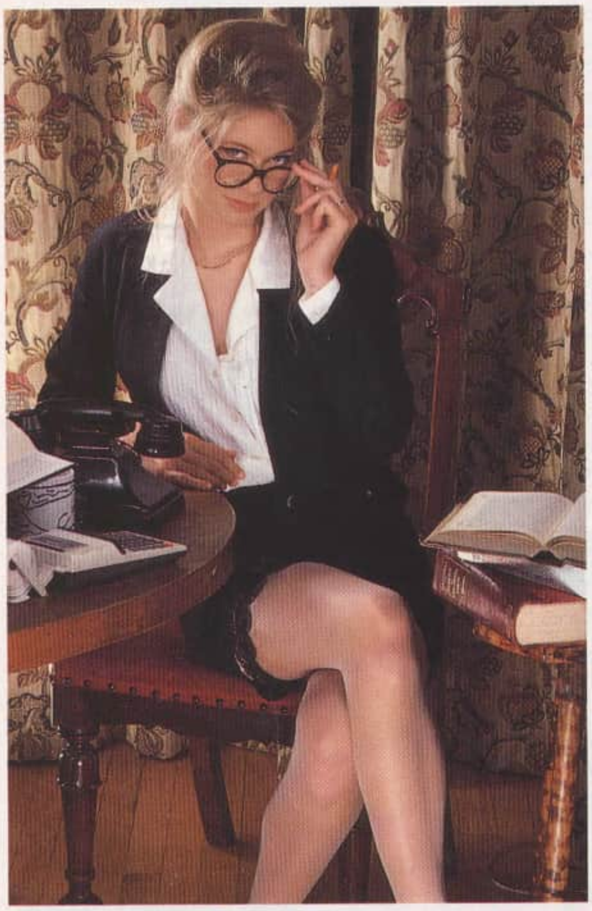
SHE'LL MAKE YOUR DREAMS COME TRUE!



Hi there, guys, it's Kim here once again, ready to fulfil all you naughtiest fantasies. I've been reading through all your letters... you really are a randy lot!

Now, I don't know about you, but whenever I go down to my local library, I'm always surprised at how sexy the female assistants look as they clamber up and down their step-ladders to reach those dusty old books right up on the top shelves. Actually, whenever I'm feeling naughty, I like to ask one of the assistants to reach up and get me a book from the highest shelf — and I just can't resist taking a peek at their bottoms as they climb higher!

FREUD
A Life for Our Time

This month, I've squeezed myself into a really smart two-piece business suit, and I'm all ready to help out in my very own private library!

Luckily, there's no-one around, so I can slowly slip out of my jacket. I'm feeling even naughtier now, and I wriggle out of my tight skirt and then carefully undo the buttons of my sheer blouse and let them both fall to the floor!

All this undressing is really making me feel very randy, and I'm sure you fellas can guess what happens when I feel like that, can't you? Nobody's going to know if I slip out of my panties... except you lot, of course!

Thanks a lot, fellas, for sending in all your sexy suggestions. Remember to drop me a line as soon as possible, telling me all about your naughty fantasy... and then just leave the rest up to me!

Bye for now! ♣

If you want Kim to fulfil your fantasy, then write to her at: Club International, 2 Archer Street, London W1V 7HE. She'll do what you ask!

letters to KIM

Dear Kim,

I could hardly believe my eyes when I opened up Vol 20 No 11 and saw your pictures. I can't exactly put my finger on what it was about you that turned me on... but I could make a reasonably good guess!

Kim, I've had a long-held fantasy about making love outdoors to a girl like you. I can just imagine the two of us going for a picnic in the countryside. We'd eat first, then we'd share a bottle of wine. As the sun beats down on us, the wine starts to have the desired effect and we'd kiss.

The skimpy dress you have on outlines your pert breasts, and I'd start to kiss my way down over your neck until I reach your cleavage. I'd slowly unbutton your dress, and I'd be elated to find that you weren't wearing a bra. I'd gently kiss and suck your breasts, making sure that I paid extra special attention to your hard nipples, before pulling your dress all the way down to your ankles.

We'd roll around on the grass together for a while, and I'd start to play with your cunt. Then I'd kiss my way down over your stomach and gently pull apart your pussy lips, before sticking my wet tongue deep inside you.

You'd want to make love now, and I'd quickly undo my trousers and push myself inside you. You'd wrap your legs around my back as we fuck faster and faster. Finally, we'd come together with a huge moan. How's that for a midsummer's day dream, Kim? — *Matthew, Beverley*

I've made love outside quite a few times, and always loved it — there's nothing like getting back to nature, is there? I still prefer sex indoors though. I like to relax on a bed or in the bath and really take my time, if you know what I mean!

Dear Kim,

I buy Club every month, and when I saw your pictures, I had to do a double take. You are definitely the sexiest woman that I've ever seen. You've got a really sweet smile and very nice breasts, really pert and munchable. Anyway, my wife hadn't seen the pictures and when she said: "What's so good about this Kim, anyway?", I decided to show her the magazine. When she opened Club, she couldn't

believe her eyes.

Now we are both you're biggest fans. This is the first time my wife's ever said anything about fancying another girl, and I can't help agreeing that she's certainly made a good choice! — *Christopher, Leeds*

Well, Christopher, I'm glad that you and your wife liked my pictures. I aim to please everyone and I'm both flattered and pleased that you liked my pictures.

Dear Kim,

My best mate, Shaun and myself have always had pretty similar tastes in women, so as soon as I saw your pictures in Club I knew that Shaun would think you were a beauty too.

The thing is we both look very different and want to know what sort of guy you go for. I'm 6' 2", with blonde hair and I've got a muscular body. Shaun is the opposite of me; he's 5' 10", dark skinned and very fit, though not as muscular as I am. Is there any particular type of bloke you go for, Kim? — *Andy, Wrexham*

Oh no, Andy. I like all variety of fellas. In the past I've had boyfriends of all nationalities. I went travelling around Europe when I left college and I met loads of fellas from different countries; from the romantic Italians to the no-nonsense Germans... I loved them all! After all, Andy, variety is the spice of life, isn't it?

Dear Kim,

I've been dreaming for years about seeing my fantasy girl in a men's magazine, and when I opened up Club and saw you, I thought my prayers had finally been answered!

I love to see a woman wearing something that they clearly feel very horny in, and my own fantasy involves seeing you dressed up in what I know would make you feel sensational.

I can just imagine you dressed up in white silk stockings and suspenders, spreading yourself across silk sheets, masturbating and screaming with delight as your pussy leaks love juices. I'd make love to you in every position possible, and you'd still want more! How about it, Kim? — *Simon, Halifax*

Your fantasy really made me feel horny, Simon. I love the feeling of soft silk on my smooth skin, and while I was reading your letter, I found my fingers working their naughty way into my panties! I could have carried on all day, but I had a pile of your naughty letters to read — a girl's work is never done! — Kim ♣

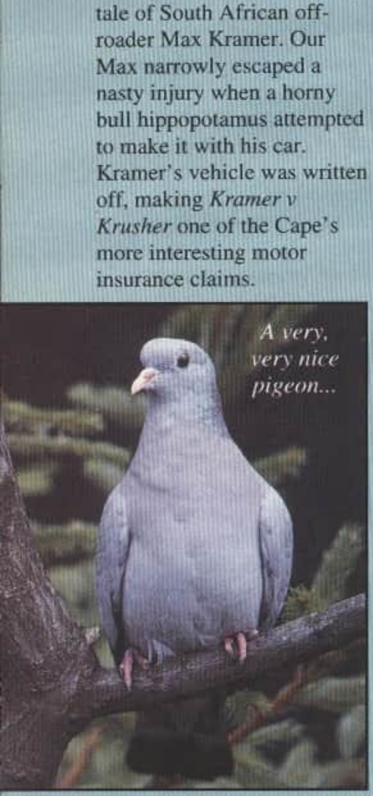
EEEOWWWRRR!!!!

Err... the dashboard

Jaguar's new Pan-European Prometheus Project

Motoring correspondent **Horst Pipe**'s dubious tales of horny hippos, cross-dressing cabbies and a very, very nice pigeon, sound like such a pile of the steaming stuff, if you spread it on the garden your roses would come up a treat...

Readers of Club who still think it's funny to have humping great rhino covers on the back of their Japanese jeeps should take heed of the sorry tale of South African off-roader Max Kramer. Our Max narrowly escaped a nasty injury when a horny bull hippopotamus attempted to make it with his car. Kramer's vehicle was written off, making *Kramer v Krusher* one of the Cape's more interesting motor insurance claims.



A very, very nice pigeon...

•And still South of the equator, Australian traffic cop Dougie McKenzie was recently recommended for promotion after stopping a speeding car and arresting himself. However, what at first looks like a typical case of a bored outback rozzer going to absurd lengths to earn brownie points is, in fact, nothing of the kind. The driver he caught speeding was simply carrying the policeman's own identity papers which had been stolen two years earlier. *(The driver's real name remains a mystery, but then most Australians couldn't give a XXXX anyway.)*

•And speaking of the police, what they don't tell you on *LA Law* is that it's actually illegal for male cabbies in Los Angeles to wear skirts. A new law recently brought in to counteract a growing fashion for cross-dressing amongst the city's taxi drivers means that any blokes found wearing skirts while driving one of the cabs will be subject to a $600 fine.

•Meanwhile on the M25, ardent pigeon-fancier Sean Edmeads unexpectedly struck lucky when his van conked out halfway round. Smartarse, that he is, our Sean tied SOS notes to the legs of two of his birds, before releasing them to fly home and raise the alarm. He was soon rescued — "a lot quicker than the AA" — and arrived home in time to enjoy a celebratory meal of pigeon 'pie 'n' mash.

•From Jaguar comes news of the company's contribution to the Pan-European Prometheus Project. And if you think the Prometheus Project sounds like something from Buck Rogers, then you're not far wrong because it stands for Programme for European Traffic with Highest Efficiency and Unprecedented Safety. Jaguar's ideas sound rather Bucky too; their prototypes include an infra-red camera for when it pisses down, a second camera to warn the driver of potential hazards up ahead, and finally, an on-board radar to ensure that we don't ride on anyone's bumpers. Oh, please...

•Finally, according to well-informed sources, multi-millionaire and Battle of Britain ace, Wing Commander Roger Andout has had his rare pre-war Bugatti Royal, one of only six in the entire world, modified to bring it kicking and screaming into the clean, green Nineties. 'The old 12.7litre was a lovely piece of machinery — entirely handbuilt — but I've replaced it with a CVH unit from a secondhand Ford Escort. It's more economical, and it runs on unleaded," said the 72-year-old ex-Spitfire pilot, from his home near Chester. Enthusiasts, however, are up in arms, describing Andout's actions as inexcusable vandalism of a unique, £10 million piece of motoring history; but a Bugatti Owners Club spokesman seemed unconcerned, adding, 'This sounds like a load of old bollocks to me. I've never heard of Roger Andout, and I rather suspect that someone at Club made it all up in order to fill the page." ♣

Belinda Carlisle

*She's got great breasts, lovely legs and a good voice, but why is the sexiest singer in the States, Belinda Carlisle, named after a disgusting little Border town in the North West of England? Rhythm king **Axl Kravitz** met the lady herself and made no attempt to find out more...*

Belinda Carlisle waltzes into her West London hotel room with a smile on her face and balancing a cup of coffee in her hand. For someone who has only had a couple of hours sleep (having flown in from the USA the night before) and who has nothing but a day of interviews to look forward too, Belinda Carlisle is surprisingly bouncy. In more ways than one. Apart from her chirpy manner, the other bouncy feature is her chest.

As she plonks herself into the confines of a comfy armchair her assets are busy jostling for position in a dangerously low scoop neck top. She is obviously completely unselfconscious about what she herself once described as the 'best boobs in the business'.

But then she's had them long enough.

"Chestwise I was an early starter. I first sprouted them when I was about ten or eleven. At first I was really embarrassed about them because I was the first girl to develop them. I tried to hide them. Now I'm really pleased with them," she laughs, referring to them like they were — and probably are — old friends. Does she ever get embarrassed by them?

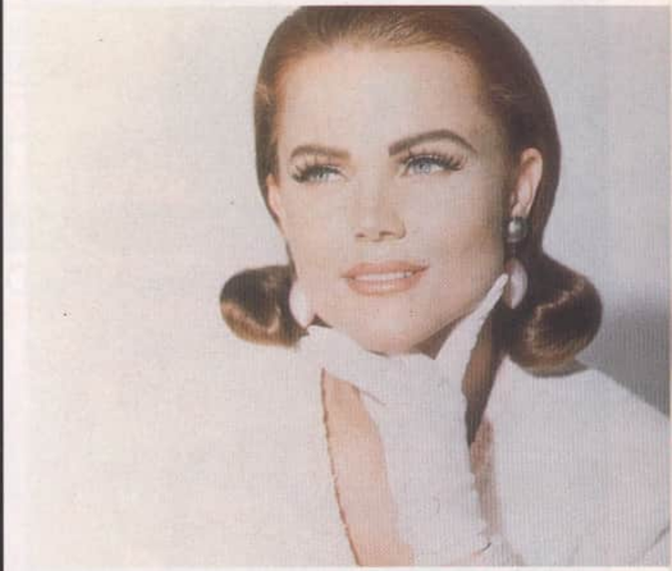
"Not at all. I'm proud to be a woman. I'm proud to be feminine and I'm proud of who I am."

There are parts of her body, however, that she's not so proud of. "I hate my stomach," she grimaces, patting the offending article. "I do about 300 sit-ups a day and it still won't firm up!"

Today, clad all in black, she's looking fit and very firm, but there was a time when she was anything but that. As lead singer of The Go Go's, her well documented indulgences with food and drugs saw her become overweight and bloated.

This didn't stop Belinda —

> "For a while I believed I had special powers over men"



and her fellow Go Go's — appearing on the cover of *Rolling Stone* magazine in just her bra and knickers.

"Those were the wild days," she laughs. "We were a little crazy!"

These days she's calmed down and, despite how she may feel about her stomach, slimmed down.

She admits to trying almost every drug going, from acid to ecstasy and claims the problem was her addictive personality. "If it hadn't have been drugs or food it would have been something else. Like men. I certainly went through my fair share of relationships."

Her upbringing was so strict that at 17 she still hadn't dated anyone because her mother wouldn't let her. So she left home. Things got a little weird from then on. "For a while I believed I had special powers over men," she laughs. "I would set up a makeshift altar, cast a spell on the guy that I fancied and he would end up asking me out. Looking back it was pretty spooky, I guess."

These days she's spellbound by her husband, film producer Morgan Mason, to whom she's been married for two years. She says his sober ways were a calming influence on her. "I hardly ever go out to parties. Maybe once a month."

When the couple first got together it would have taken a crowbar to separate them. After the first date they had the hots for each other so bad that Belinda moved in with Morgan. "We see eye-to-eye on a lot of things," she claims, "especially the sex part of our relationship; but it goes beyond that. The physical side was easy, and so was the rest of getting to know each other."

Since Belinda's renewed success the papers have painted Morgan as a Sean Penn-type character who flies into a rage, insanely jealous of his wife's blossoming career. Not surprisingly, the couple laugh it off.

> "I'm proud to be feminine"

Belinda, however, does admit to the odd twinge of jealousy about one of Morgan's past lovers, Joan Collins. "We both had pasts, but I could never work out where she fitted into his," she ponders.

Belinda's own past was never exactly logical. She still recalls a time when she was very insecure about herself and the way she looked. "I remember one boyfriend said that I looked a bit like a bulldog. I took it as a compliment, though; because I was really into dogs at the time."

Nowadays she has five dogs of her own and, at 32, she still manages to attract the attention of the opposite sex. "Yeah, I sill get hit on by younger boys. I guess I've heard every approach line in the book, but it's still kinda nice. No," she corrects herself, "it's great." ♣

"Don't mention Christmas to me!" demands 22-year-old Sophie from Southampton. As if we would, but why? "It's the one time of year that really bugs me. All that entertaining. There's no time for anything else — like sex!" Sophie's choice would be to chuck out all her friends and

relatives bar her boyfriend, and spend four days in bed.

"My guy's promised me some really naughty silk lingerie for Christmas, and I'd love to devote the holiday to teasing him — or any one else, for that matter. Instead, the only way I'll get hot is cooking turkey and all the trimmings for my elderly uncles and aunts."

Never mind, Sophie, it'll soon be over and you can get back to uninterrupted shagging.

"That's right! I've already made my resolution. 1992 is going to be the year of the bonk!" Well, it sounds a lot more interesting than the joint European market, Sophie! ♣

ARSE FROM THE PAST

Long before the existence of man, dinosaurs ruled the Earth, and a useless job they made of it too. These lumbering lard arses with bimbo-sized brains stomped around doing very little except eating and shagging — a bit like the Ed. Not surprisingly they died out, but why?

The simple reason is that they had horrible bottoms. Huge and leathery with a cleft the size of the Grand Canyon, their almost completely vegetarian diet meant that they farted and crapped constantly. Since Andrex baby soft pink arse-wipe was still some two million years in the future, their botty hygiene also left a lot to be desired. In fact, Club can now exclusively reveal that the name Tyrannosaurus Rex is actually a corruption of Cranny Sore as Fuck.

Having such awful arses the desire to mate, especially from behind, waned and dinosaurs disappeared. Then, in the Stern Age, came *homo sapiens,* the first species with a remotely attractive bum. Bare brown female arse cheeks hardly hidden by little loincloths had the cavemen desperate to get their rocks off. The result? Men with rudely fashioned tools constantly fucking — a period known to scientists as the Big Bang. In fact, over-population could have been a severe problem had it not been for the onset of the Iron Age (when men fancied the bottoms of other men), closely followed by the Bronze Garbonza Age.

Cave paintings of these pre-Cambrian posteriors have been found by archeologists but, for safety's sake, are kept carefully locked away in their bedside cabinets and only brought out when they fancy a wank. ♣

HOUSE BARGAIN OF THE MONTH

Continuing our service to impoverished estate agents with properties to sell, this month we bring you a Florida bungalow that's getting lower all the time. Whilst some houses are proving difficult to shift, this three bedroom character property is moving all the time — downwards!

Owner Mrs Marjorie Bennet discovered her villa was sinking quicker than house prices in Docklands when she looked out the window and realised her view of Miami was now from underneath. A hole had swallowed her house!

Club's resident estate agent, Robin Cunt of *Total Bastard and Sons*, describes the property thus: "This spacious three-bedroom basement bungalow is in a sheltered position, but is very convenient for local amenities such as the Underground. A mature well maintained garden covers most of the roof. Early viewing is recommended before this property disappears. Offers welcome." ♣

violently, and Samantha threw her head back as an orgasm ripped through her; then she fell by my side on the grass. Her face looked vibrant, her long hair was stuck to her face and she had a big smile on her face.

"Now it's your turn," she said, as she peeled off her blouse to reveal an absolutely amazing pair of breasts. "I could see the way you've been looking at them all night. Go ahead — they're all yours!" Well, what was I to do? I reckon that I must have spent the next hour just licking, sucking and nibbling Samantha's breasts; and I can honestly say that I was in seventh heaven!

We eventually decided to move to the more private surroundings of Samantha's flat in town, where we continued our randy romp well into the next day! — *James, Leicester*

Filthy Flatmate

Last month I had my first lesbian experience and I thought I'd write in and tell your readers all about it.

That night I'd had a row with my boyfriend, and instead of going out with him to a nightclub, I decided to go straight home, take a relaxing bath and then go straight to bed. It was about ten o'clock before I'd finished in the bathroom and I was just getting myself settled in bed when I was awoken by moaning noises coming from my flatmate, Michelle's room. To be honest, I was in a really bad mood, and no-one was going to keep me awake. I put on my dressing gown and stormed into her room, ready for an argument.

I opened her bedroom door, and was just about to admonish her, but instead I found myself speechless at the sight that I was greeted

Icewoman Cometh

As Club's single concession to Christmas, we present — a naked woman! Yes, a whole naked woman, to do with as you will. Just one drawback: she'll probably melt at some point.

In fact the 'snowoman', as she has been cleverly christened, is a winter sculpture trend poised to sweep the nation. The traditional snowman, with his carrot nose and lack of genitalia, is a thing of the past: instead, little boys will spend their time shaping the voluptuous curves and sensual crevices of snowoman in all her glory, annoying the neighbours and giving Mary Whitehouse apoplexy in the process. Which should be an ideal Christmas gift in itself. ♣

Gina

With her dazzling come-to-bed eyes, smouldering good looks and perfect body, we were surprised to hear that gorgeous Gina from Nottingham hasn't ever done any modelling before.

"It was only when I sneeked a look at a copy of Club in my local newsagents that I thought about modelling myself," confesses the 20-year-old sales assistant. "I really couldn't believe all the sexy girls inside the magazine, and I figured that the only way I'd ever get to meet any of them was to become a model for Club too!

"Now that I've done it, I know what the attraction is," laughs Gina, with a wicked glint in her eye, "it's an incredible turn-on! I couldn't believe how horny I felt stripping off — it's real fantasy stuff. And as soon as my mind starts to wander, so do my hands... but I guess you can tell that by looking at the photographs!" ♣

TAPED!

The man with more hands-on (pecker) experience that anyone else in the video world, **Allan Bryce**, reviews the hottest adult release of the month...

I'm not a man who likes to boast, but I can honestly say that I've seen more tits than the average man on the street. In fact, in my long career of reviewing adult videos, I've probably ogled about ten thousand different whammers — from perky poached eggs to sensational space hoppers topped by saucer-shaped nipples that even Cassius Clay wouldn't be able to get his gob round. That's why I didn't bat an eyelid when old Percy the Postman dropped in the other day carrying yet another new big boob video. "Bloody 'ell," said Percy, adjusting his bifocals as he studied the cover. "**Lu Lu Devine — The World's Biggest Tits!** I could park my bike in that bird's cleavage!" One glance told me that he wasn't wrong — and he had a chuffing tandem! But I wasn't going to make any further comment until I'd studied those titanic threepennies a little bit closer myself. So after despatching old Percy about his business with a boot in the recorded deliveries, I settled down to scrutinise Miss Lu Lu Divine on my throbbing 27-incher...

Our top-heavy heroine is from the United States, but this tape has been shot in good old London town, and in the opening scene we join her on a tour of such landmark sights as Buckingham Palace (where the knockers on the door are nothing compared to Lu Lu's chest) and Nelson's Column (make up your own gag!), before she heads back to her hotel for some serious boob massage with an industrial sized bottle of baby oil.

The tape itself is expertly photographed and very well produced, and if you're into massive mamms, then it will blow more than just your mind, believe me. Then take away those enormous knockers and this somewhat matronly blonde isn't exactly what you'd call centrefold material, but who's really looking at her face? One word of warning though: don't sit too close to the set while you're watching it... ♣

RAYMOND REVUEBAR

Festival of Erotica

There's no excuse for it, you know. Even though we live above the shop as it were (the Ed's office is right over the stage, as he knows only too well when the music blasts through his floor at eight o'clock every night) we don't get to the RevueBar often enough. Hoping to remedy this situation, the Club rabble pulled on its one decent suit and nipped down to there the other night.

The guvnor's pride and joy has been going for years now, and is still pulling in the crowds who like some class with their ass. Unfortunately the jiggling jugs and bouncing bottoms on display caused three staff members to explode in an erotic frenzy. So if this issue looks crap and is spelt rong, blame the Revue Bar girls, not us. ♣

by. My eighteen year old flatmate was dressed in stockings, suspenders and knee-length boots and was kneeling at the side of the bed, greedily licking at another girl's pussy.

I stood there mute for a second or two, until a gasp from my lips shattered the silence as I saw Michelle's tongue darting into the other girl's cunt, and they both suddenly turned around and saw me. Michelle was obviously embarrassed and she turned a deep shade of red, but her friend looked at me and smiled. "Hi there, my name's Tracey. Are you just going to stand there, or would you like to join us?"

Well, what could I say, I'd been caught red-handed, and I didn't really have a lot to lose, did I? I sat down on the edge of the bed beside Tracey, and as I did she pulled me towards her and slipped her hand inside my dressing gown. Her warm fingers started to circle my erect nipples and then she unbuttoned my gown, exposing my tits. I shut my eyes and then I felt Tracey's cool lips on my breasts as she began to greedily suck on my nipples. "Mmm," she gasped, "you've got wonderful tits." I opened my eyes then and looked at Michelle, who sat on the floor grinning from ear-to-ear as Tracey carried on her seduction.

"Now, what's this we have here?" giggled Tracey, as her fingertips traced a line down over my breasts, to my navel and then down to my wet pussy. "I hope this tastes as good as it smells," she laughed, before practically tearing off my gown and then slowly licking up the insides of my thighs. I grasped Tracey long hair in my hands and ground her face onto my pussy mound, and she started to flick her tongue against my aching clitty.

By this time Michelle decided that she wanted a piece of the action, and she moved from the floor onto the bed beside us. Reaching over to Tracey with one hand, she started to stroke her bum, while her other hand disappeared between her own legs as she frigged herself.

Within minutes we'd all reached orgasm, as our fingers and tongues explored each other's bodies and, to be honest, we didn't get much sleep that night. Now, Michelle, Tracey and I are trying to find another willing girl to join us in a filthy foursome. If it happens, then Club will be the first to know! — *Lindsay, Romford*

Photographs by Robby Schneider

Blonde bombshell Cindy reckons that dancing keep her perfect pins looking sexy and shapely, and now we come to think of it we can just see the 21-year-old secretary from Brighton dancing the lead in Swan Lake, *her long legs leading down to her ballet shoes as she moves gracefully into...*

"No, no, you've got it all wrong!" laughs Cindy, throwing back her long blonde hair. "You won't find a ballet shoe or a tutu in sight where I go on a Saturday night; only lots of randy, young people dancing to loud, pumping,

sweaty rock music."

Shy, retiring secretary she may be during the day, but come the weekend, Cindy confesses to a transformation to a bona-fida rock animal...

"You're only allowed into the club if you're wearing the right gear," she tells us, excitedly, "and leather is the strict dress code. It all makes for a very hot 'n' horny atmosphere, believe you me. I reckon the toilets

there have had more couples shagging in them than any other toilets in the whole of England!"

Well, you certainly seem quite sure about that one, Cindy.

"I should hope so," she laughs loudly, "I'm usually one half of a very hot and bothered couple!" ♣

GRIPPING YARNS

Three Cheers For Beaver!

The young upstanding fellows of **Beaver Patrol** were planning a quiet Christmas at Marshmallow Mansion; that is until they exposed a dastardly scheme by the Kremlin to hijack Her Ladyship's priceless cake collection. Is it curtains for Thicky, Boffo, Brains, Nickers and Niffy... or can they expose The Brothers Pullinitov as the lowdown villains that they really are?

In 1898 General Exploden-Bowells, hero of M'Fucken and various other battles that involved our gallant chaps pacifying a lot of foreigners with silly names, bestowed a wonderful gift upon mankind — he founded 'The Forest Camp Boys' movement. 'Big Shorts', as he was known to a generation of boys, was forever in pursuit of his lost youth. And who can blame him? For the youth in question had run off with his wallet. However, The Camp Boys were to prove his great consolation: a cheery bunch of fellows who pledged to live in the woods, eat lots and lots of baked beans, and never have anything whatsoever to do with soppy girlies, no matter what.

Groups of Camp Boys sprung up all over the country. They whistled in adversity, rescued goats that were stuck up telegraph poles and photographed unmarried couples doing the squelchy business, then handed the negatives over to the vicar. Amongst all these various groups there were some who stood out, but none who stood out so firmly, uprightly, or with as many prominent blue bits, as the aristocratic 'Beaver Patrol'. Beaver Patrol were based at Etonbush Academy for Chaps. This is just one of their many adventures...

E Wing, Etonbush, December 15th

As a stiff southerly hammered away at the willows, a bright winter moon illuminated a corner of the dorm in which four chums were huddled together in a whispered conversation.

"And what did you see when you got to the top of the ivy and peered in through Mr Shortleg's window?" inquired Viscount 'Thicky' Biscuit. The Right Hon. 'Boffo' Trumpet-Trouser set his jaw firmly, "Miss Fifi Le Ayshio, the French mistress, was blowing into his longjohns hosepipe!"

"Lumme!" cried all the boys.

"Maybe," said Tarquin 'Niffy' Armepittes, "he was experiencing a blockage."

"Don't be a Fuzzy-Wuzzy," snapped 'Brains' Belcher, "haven't you noticed that old Nobby Shortleg's been getting fatter all term? That lumpy-fronted frog has obviously been pumping him full of air!"

"What can it possibly mean?" asked 'Thicky', who was from one of the Empire's most noble families and therefore wore his stupidity proudly. 'Brains' — who was a bit of nouveau-riche oik — allowed a knowing grin to play across his face. "I'm not certain," he explained, "but I'm pretty sure that it has something to do with the Masters versus Boys Swimming Gala in January. An inflated Shortleg would obviously breast-stroke a lot better. And by expelling the air from his toilet implement at strategic moments he could boost his speed by up to 30%."

"The dirty rotten cheat!" cried the other boys.

"Yes," said 'Boffo', "but from what he was shouting about 'doing it doggy fashion' I should say he proposes to enter the free-style!"

Before the chums could speculate further, or telephone *Crimewatch UK*, the door to the dorm swung open and their leader Nicholas 'Nickers' Nixon, champion winkler of the forth remove, entered the room. The moment the chums clapped eyes on the well polished woggle and the wampum pouch filled with ging-gang goolies that dangled below 'Nickers' belt they knew how to respond: "Dip, dip, dip. Wik, wik, wik. Get your broom up the chimney. Quick, quick, quick!" — the secret song of the Forest Camp Boys!

No sooner had they finished than Nixon held aloft his little dib-dob and recited the rhyme of Beaver Patrol: "Here I stand/ My woggle is eager/To do its bit/With Beaver!"

"Hail, Beaver!" chorused all five boys lustily.

After this ceremony was over 'Nickers' strode towards his chums. "Gosh," he trilled, "I can't wait for term to end! It's super of your folks to invite us to spend Yuletide with them at Munchmallow Mansions, 'Thicky'. Especially after the business with the maid, the treacle and the bassett hound."

"Yes," added 'Niffy', "I'm looking forward to seeing Lady Hobnob's collection of British baked products again! They say it's the finest in all the Empire." Viscount Biscuit blushed slightly. "Y-y-yes," he stammered, "mater's cupcakes are universally admired. Although I fear in recent years they have sagged somewhat."

"I say you fellows," blustered 'Boffo', "it simply isn't healthy to dwell to much on the future. What say we go and round up some of the junior tics, soak their heads in glue, dip them in a bag of All-Bran, then see if anyone mistakes them for coconuts?"

"What a jape!" exulted the chums, and they rushed off to free the school gorilla.

One Week Later, Munchmallow Mansion

Three days before Xmas, the snow was falling steadily and Count and Countess Hobnob were dining with their guests, all that is except for Beaver Patrol, who preferred to follow the wise words of 'Big Shorts' and forage for their supper at least once a week. At this very moment they were tucking into a delicious pizza made from a dustbin lid, crushed hollyberries and a handful of tasty black olives which 'Thicky' had found in a field full of sheep.

Count Hobnob, meanwhile, was entertaining his guests with the story of how Marchioness Shortcake's pussy had brought him out in a rash: "... So then of course I sat down, only to discover that the cat had been there too and had left a whiskery sofa!"

"Whisky and soda! Plenty of ice in mine, lovie," called out Isadora Drunken, the esteemed ballerina whose recent 'Nutcracker' had brought tears to the eyes of even the most cynical critic. Countess Hobnob ignored this outburst. Calmly she added to the catalogue of woes that had greeted them at Figroll House. "The bedrooms were damp and dingy. The whole place was grim and chronic..."

"Gin and tonic? Don't mind if I do, duckie," yodelled the ballerina, waving her glass as a passing footman.

"Fuck off!" snapped the Hobnob's vulgar American niece, Ms Rita Cookie. "Don't know that one, luvie," replied Isadora. "Is it some type of vodka? I performed in Moscow many times before the revolution. Indeed I once had a large Russian following. Hic! Then I turned into a cul-de-sac and he blocked my passage."

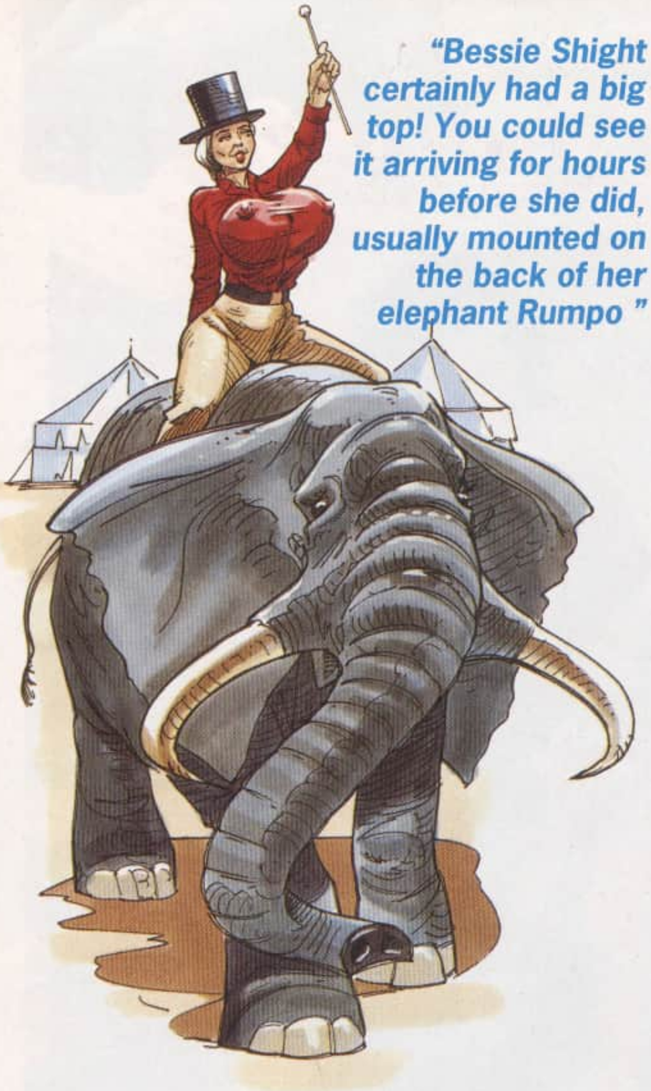
With true aristocratic dignity, Lady Hobnob pretended these interruptions had not occurred. "Of course," she continued, "the house was haunted. Have you heard of the Headless Woman?"

"Heard of her?" barked Rita Cookie. "I am her. Ain't any of the guys in this goddam country heard of oral sex?"

"I'm not sure, is it some sort of French aperitif?" asked Isadora Drunken. "You'll be missing a pair of teeth in a minute," growled Rita Cookie.

Fortunately, before matters could get out of hand Plums the Butler entered and gave a discreet cough. "Begging your pardon, sir, but Mrs Llewelroll the cook is sorry to report that she used her dentures to edge the duck and wombat pie that

> ***"They whistled in adversity, rescued goats stuck up telegraph poles, and photographed unmarried couples doing the squelchy business."***



"Bessie Shight certainly had a big top! You could see it arriving for hours before she did, usually mounted on the back of her elephant Rumpo "

you have just consumed. She has subsequently discovered that one of her molars is missing. She would be most grateful if, should it... er, reappear, you would return it. False teeth are such a price these days, you see."

"God, that is disgusting," barfed Rita Cookie. "Here's a fiver. Tell her to get herself a new pair." Plums accepted the money gratefully. It was the fiftieth time that Mrs Lllewroll had worked the old 'tooth in the pie' scam and now they almost had enough saved up to buy a heated commode.

Xmas Eve, Afternoon

For Beaver Patrol the super treat of the hols was their visit to the big top of Bessie Shight's circus. And Bessie Shight certainly had a big top! You could see it arriving for hours before she did, usually mounted on the back of her elephant, Rumpo. The chums had a wizard time of it despite the fact that the afternoon's performance was marred by a terrible accident. Aspro the Soluble Man had just dissolved himself in a bucket of banana milk-shake, when Rumpo the jumbo came looking for a drink. The vet had given the elephant a diuretic, and now the circus folk eagerly awaited the outcome.

As they returned home on the bus, the chums chatted excitedly about the star attraction, The Brothers Pullinitov, a troupe of dashing Cossack horsemen. "Fancy," chirruped 'Boffo', "being able to train a pony to jump through a fiery hoop, walk on its hind legs and do a passable imitation of big-hearted Arthur Askey!"

"I'm a biz biz biz busy little bee," they all chuckled.

"Mmm," sighed 'Thicky' Biscuit ruminatively, "but something about the Pullinitov Brothers reminds me of an incident that took place in my bedroom this time last year." He thought hard for a moment, then the light dawned, "Crikey, that's it! It was the red costumes. I woke up last Xmas Eve to find an intruder wearing exactly those same clothes fiddling about with my chimney piece. Naturally I leapt up to tackle him, but he rushed from the room. I followed him out into the corridor, only to find out he'd vanished. Miss Drunken was a guest with us last year too. Her room was next to mine. Thinking the burglar might have taken shelter there, I burst into the room and... " 'Thicky' blushed scarlet. "She, err... she pounced on me. It was ghastly. It was really... quite nice, actually." 'Brains' Belcher slapped him hard. "Pull yourself together, man," he barked. "Remember you're British!"

"Gosh, chaps," wheezed 'Thicky' gratefully. "Thanks ever so. But anyway 'Nickers', what do you make of it?"

The champion winkler of the forth remove furrowed his brow and stroked his chin thoughtfully. "Crumbs," he exploded eventually. "I reckon this might be a dastardly foreign plot to steal her Ladyship's priceless cake collection!"

"The filthy rotten Hun!" chorused his pals. 'Nickers' held up a hand for silence. "I fear not, chaps. This may be one far worse. I fear that those red coats and long black boots point in only one direction — The Kremlin!"

"Beastly Bolshie bounders," trumpeted Beaver Patrol. "Yes," said Nixon gravely, "and if Lenin and his comrades ever get their hands on Her Ladyship's french fancies, who knows what might happen!"

That Night...

Beaver Patrol got their heads together immediately and it did not take many minutes of machinations to come up with something. The intruder had disappeared, perhaps into Isadora Drunken's boudoir. The ballerina openly boasted of the big hand she had had on her opening in Saint Petersburg. Putting two and two together, the chums decided to search her room for clues.

They had no sooner entered the bedroom than 'Niffy', who was standing watch gave the Apache warning raspberry, three short bursts followed by a long one. Quick as a flash, the Camp Boys concealed themselves in Isadora's underwear drawer.

Seconds later the ballerina reeled into the room. She cast off her clothes and threw herself on the bed. A moment passed, then the door was opened once again and a male figure stole furtively into the room. "Xmas is coming," he grunted, "how about you?"

"Who is it?" whispered 'Brains'. 'Thicky' put his eye to the keyhole of the drawer and gasped. "It's pater," he hissed, "and it looks like he's getting ready to enter the swimming gala too!"

"And I don't think that all he's preparing to enter," exclaimed Nicholas Nixon. He indicated a red costume, black boots and a false white beard he had found hidden beneath a leopard-skin brassiere. "I'm afraid they're not Isadora Drunken's size. But they might well fit Count Hobnob!"

"Jumping jellyfish!" blurted the boys.

"Yes," continued 'Nickers', "my guess is that he intends to don this costume tonight. Then, at about midnight, he'll creep around the house to see if we're all asleep, then grab the mater's battenberg and defect to Moscow. If Trotsky and his comrades get their teeth into Eccles cakes on a regular basis, who knows where it'll end!"

"Holy moley!" exclaimed 'Thicky'. "Whoever would have thought it. My pater a treacherous pinko subversive. Still I musn't let sentiment stand in the way of patriotism. I will phone the MI5 this minute. And the sooner the old traitor is hanged the better, as far as I'm concerned!"

"That's the spirit, old boy," said Nicholas Nixon, giving the viscount a playful punch on the shoulder. "And also, incidentally, the best Xmas present a chap could give his country."

"I couldn't have done it without the help of Beaver Patrol," said 'Thicky' modestly. At once the five chums burst into the Forest Camp Boys victory song: "See the little squirrel clutching at his nuts... "

"What the hell is all that noise coming from your chest of drawers?" groaned Count Hobnob. Isadora Drunken laughed, "It's your idiot son and his chums. Don't worry, I've locked them in."

"But what about my Santa outfit?"

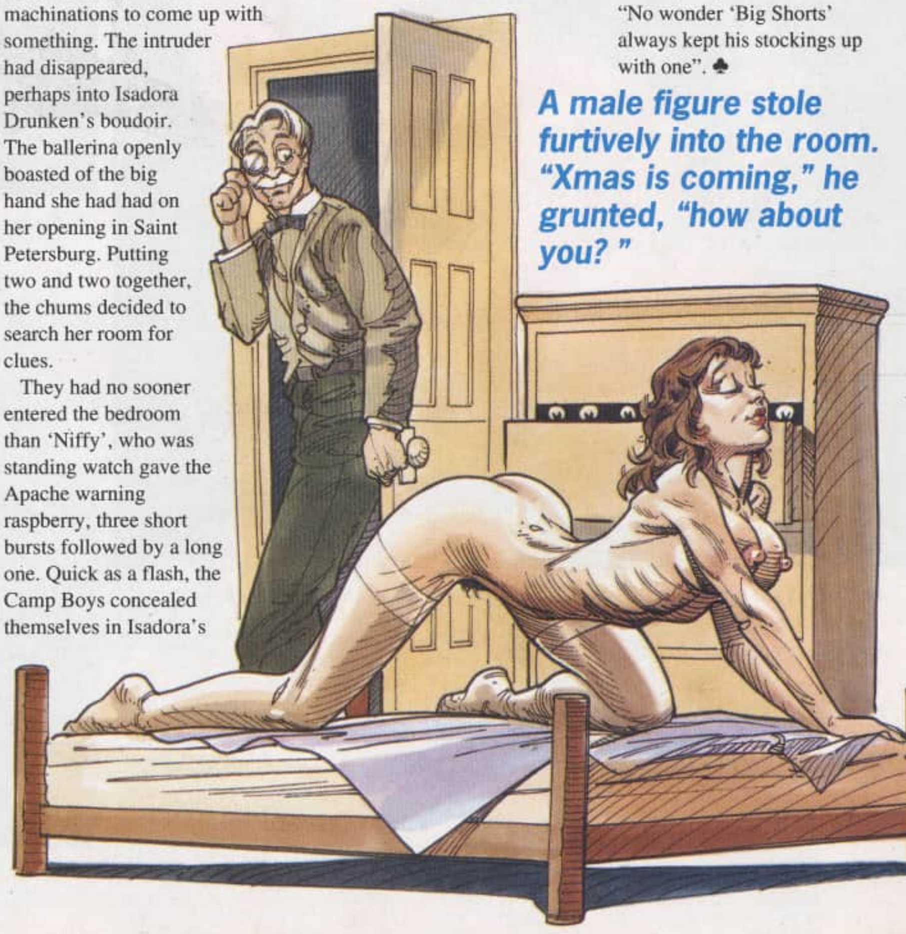
"Stick with me, Father Xmas," the firm thighed ballerina gasped, "I've got a little present for you in my stocking. Ha, ha, ha, ha!!"

Four Hours Later

"I tell you what," said Nicholas Nixon, to his chums in the cramped underwear drawer, "these suspender belts aren't half as uncomfortable as they look, you know."

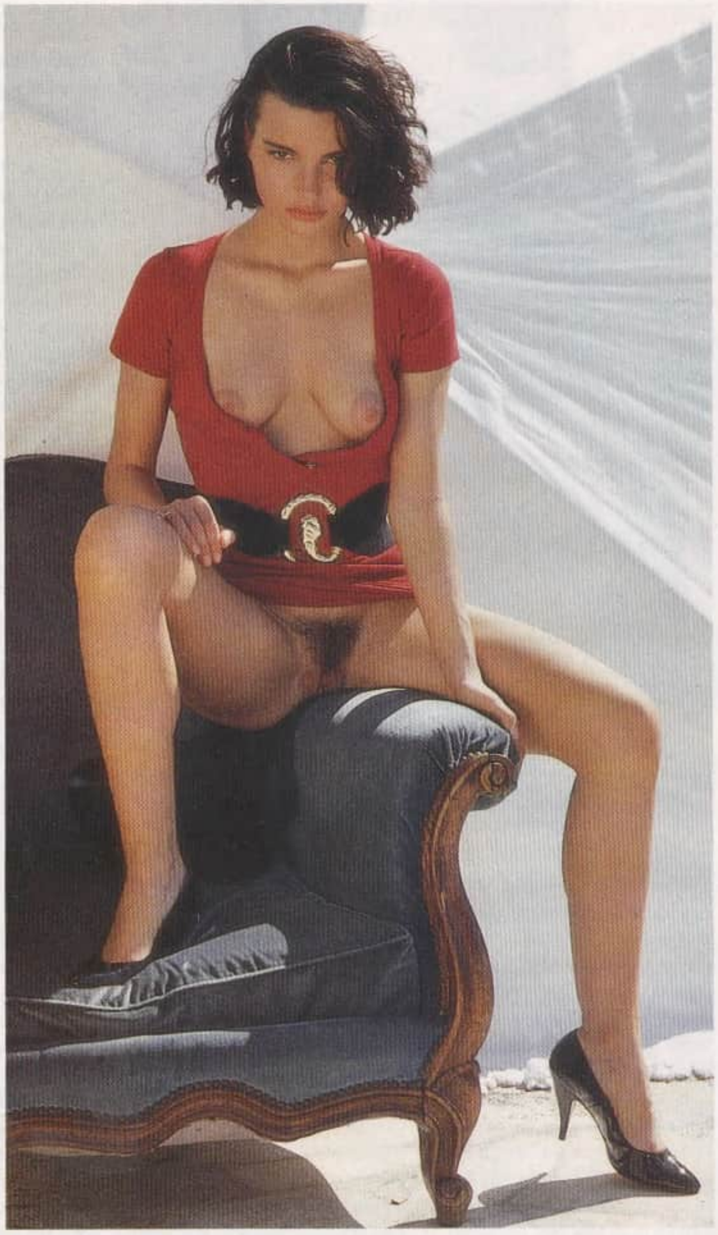
"Yes," replied his chums. "No wonder 'Big Shorts' always kept his stockings up with one". ♣

A male figure stole furtively into the room. "Xmas is coming," he grunted, "how about you? "



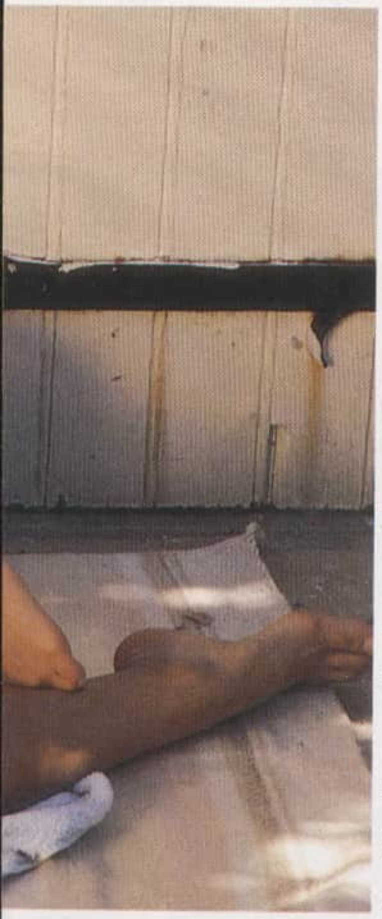
bridgette

Photographs by Michael Moore



As soon as we set eyes on 19-year-old Bridgette, we just had to ask her, "Has anybody ever told you that you look like... "

"Beatrice Dalle?" purrs the graphic artist from Carlisle. "I've been told that about a million times before! Men are always rushing up to me in nightclubs, asking me if I'm the girl in Betty Blue *and offering to buy me a drink.*



"I'm a bit naughty, though," laughs Bridgette, with a sly smile on her face. "I usually put on a fake French accent and act like an enfant terrible! Most of them never click on, and are humbled to be in the presence of a real 'star'!

"It nevers fails to attract the fellas, and quite a few girls too! Mind you, it did backfire once," adds Bridgette. "This really dishy fella once asked me if I was Ms Dalle, and , of course, I said yes. Turned out to be a mistake, because he started paying me lots of compliments in French... the only French I know is 'Sasha Distel', and he soon rumbled me. Fortunately he saw the funny side!" ♣

WOMEN'S WRITES

Where the girls get down to business

Randy Reunion

I thought I'd write in and tell all you Club readers about my University reunion that I attended recently. To be honest, I didn't really enjoy studying at University much, there was too much work for my liking, and when I left I decided to live life a little.

I went on a diet, got a pair of contact lenses and coloured my mousy brown hair a shade of platinum blonde. Next thing I knew I'd been transformed from an overweight girl with NHS glasses to a fully fledged vamp complete with a packed social diary.

Not surprisingly, when I walked into my reunion, nobody recognised me; and when I told them who I was, they almost fell over each other to chat me up! All of a sudden, the fellas who used to tease me about my weight or whatever, were desperate to get my phone number. Sadly, the last three or four years hadn't been too kind to them, and they were mostly the sort of limp-dicked, shirt-and-tie types that I try my best to avoid, so I rejected their advances. Apart from Scott, that is.

Scott was a fella who I'd always loved at University. He was handsome, polite and witty — just the sort of guy I like. As soon as he walked into the hall, my heart jumped, and after all these years I still fancied him. I made a bee-line straight for him and casually introduced myself. He was as shocked everyone else, when I told him who I was!

"You look terrific," he gushed, his eyes wandering over my clinging blouse and down to my leather mini-skirt. We got stuck into a couple of bottles of wine and talked about old times for a good hour or so. Since we'd last met, he was even better looking and I could hardly keep my hands off him, as we playfully hugged and kissed each other.

We were both getting pretty tipsy by this time, so when Scott suggested we sneak off and have a look around the campus, I agreed straight away. We were both giggling like mad as we walked down loads of long corridors, and when we came across our old common room, Scott suggested that we should have a quick peek inside. Of course, I knew exactly what the randy bastard had planned and we both hurried inside.

We walked into the room, and without turning on any of the lights, we sat down on a table and Scott pulled me closer to him. "I always fancied you, Glenda," he whispered in my ear. "And I've always dreamed about fucking you too."

Even I was shocked at what he said, and I think Scott felt a bit embarrassed at coming out with such an admission; but before he could say any more, I pressed my lips against his and slid my tongue deep inside his mouth. Scott's hands played over my breasts, and he started fondling my nipples through the thin material of my blouse. His hands circled around my buds, and then he started to slowly unbutton my blouse; but before he could go any further, I broke from his grasp and stood in front of him. He looked surprised for a moment, but he started grinning when I pulled off my blouse to reveal a tiny half-cup bra and then allowed my short skirt to fall to the floor to reveal black lacy stockings and suspenders. He stared at me, mesmerised, as I paraded in front of him, almost naked.

I really thought he was going to come in his underpants — he looked very flushed and his cock was straining against the inside of his jeans. I decided not to tease him any longer, and I helped him out of his clothes.

My heart was pounding as he slowly pulled down his trousers, and I gasped loudly when I saw his cock. It wasn't particularly big, but it was nice and thick — my favourite kind! I dropped to my knees, wrapped my

fingers around his shaft and peeled back his foreskin. Scott groaned as I flicked my tongue around his bell-end, and then sucked his length into my mouth. He started moaning and pushing his hips forward, so that he was fucking my mouth like a cunt. I love giving head, and I felt my pussy juicing up as I worked Scott into a frenzy with my rhythmic sucking.

Scott held onto my hair, and pumped a final thrust into my mouth, and just as he came, I pulled his cock out and he shot his load all over my tits. I took great glee in rubbing his spunk all over my pert nipples, and then licking his fresh come from my nimble fingers.

It was my turn for some action now, and I sat myself on the table and ordered Scott to eat me. He slowly spread my legs and pushed aside my skimpy knickers to reveal my neatly shaven cunt. A big smile spread across his face as he pulled apart my fleshy cunt lips, then bent down and pushed his tongue inside my hot cunt. Scott sure was an expert at pussy licking, because it didn't take long before I started shaking like a leaf. A second later, I orgasmed, gripping his wet tongue with my pussy walls.

"Fuck me, Scott," I screamed loudly. "I want you to fuck my cunt!" I stood up and Scott bent me over the table and I spread my legs. He must have had a great view of my splayed cunt, as I opened up my cunt lips and he guided his cock into my juicy hole. I love sex to be fast and frantic, and Scott wasted no time at all in hammering his cock inside me. At the same time, I reached down between my legs and started frantically rubbing my aching clitty.

"I'm coming," yelled Scott, and sure enough, a second or two later, I felt my tight cunt being filled up with his creamy spunk. I gripped my cunt walls tightly around his cock, and milked him for every last drop of come.

We both collapsed onto the floor, our sweaty bodies sticking to each other. We lay there for about twenty minutes, and then realised we'd have to head back to the reunion as we knew we'd be missed. We didn't stay long, though; and after an hour we got a cab back to Scott's place where we carried on with our very own steamy reunion! — *Glenda, Leeds*

Lezzie Lust

Hi, my name's Michelle and I'm 20 years old. I love reading all the sexy letters in Club, as they really turn me on, and I've often wondered if I'd ever have an experience horny enough to share with you. With a curvy body like mine, I always reckoned my letter would be about some guy shagging me all night long. But that's not the case...

I've got a part-time job at a clothes store in the centre of town. The job is great, especially my manager, Katie. She has a lovely figure and dresses to show it off. She wears lots of tight skirts and sheer tops that show off all her curves. I like to dress this way too, as it really excites me when I know people are getting turned on looking at my body.

After one particularly busy day at work I was giving Katie a lift home. She owns a really swish flat near Chelsea, and has access to a shared residents' swimming pool, and when she suggested that we should have a quick dip, I jumped at the chance. Katie lent me a bikini, but as her tits aren't as big as mine, the top didn't really cover a whole lot up! I didn't care though, and as we walked into the pool area all eyes were on us.

The combination of the water on my body and so many eyes watching me soon had me feeling really horny, and I realised that Katie was turning me on too. I'd never felt attracted to another girl before, but every time I looked at her long legs and small bottom my nipples got hard and I felt an incredible tingling in my pussy.

Back at Katie's apartment, I got into the shower while she fixed us something to eat. I was soaping up my tits while I thought about how sexy Katie had looked in her bikini, and then I slid my hand between my legs. My pussy was really wet. I was sliding my middle finger in and out when the shower door suddenly opened and there stood Katie.

"I thought we could save time if we showered together," she said, as she stepped in. Soon we were kissing, and she was pressing her firm tits against mine, as her hand slid down towards my pussy. She spread my lips apart and teased the entrance of my hole with her hot fingertips. Then she slid two fingers deep inside me while she rubbed my incredibly sensitive clit with her thumb. I came so intensely that my legs could hardly support me!

Katie led me into the bedroom and we lay on the bed. Her nipples were so hard that I licked and sucked them for what seemed like hours, before kissing my way down to her pussy. She was so wet, and she smelled so good that I wasted no time in getting to grips with her delicious cunt.

Although I'd never done this before, I felt like I'd been eating pussy my whole life — and I absolutely loved it! As I sucked and licked around her throbbing clitty, I slid my fingers in and out of her soaking cunt, and she pressed hard against me, moaning with pleasure. As I felt her begin to come, I slid down until one of my breasts was resting against her pussy, and then started to rub my hard nipple up and down her slit until her climax exploded.

By the time she'd finished, my breast was covered in her pussy juice, which she licked off. Then she told me to lie back, because it was my turn.

Katie licked my pert nipples, circling them with her tongue to send shock waves right down to my pussy. She made me wait for ages before she moved down to my snatch, and then she teased me with her fingers, running them all around my pussy lips and thighs before starting to finger fuck me vigorously. When I was close to coming she began to lick me, pushing her tongue deep inside me to finish me off.

Then Katie reached into her bedside drawer and pulled out a big double-ended dildo. I lay back as she worked one end of it up my dripping pussy. Then she slid the other end into her own cunt and started to hump. Feeling it slide inside me, and at the same time seeing the other end slide in and out of Katie was pushing me to unbelievable heights, and I reached down and began to rub my clit. That got Katie really excited, and she told me she loved to watch me play with my wet pussy.

Katie and I fucked with that dildo in every possible position, and then licked each other's juices off it before we finally fell asleep. And the following day after work, we went right back to Katie's place for another hot sex session.

These days we hardly wear clothes when we're around each other, and we love to put on sexy shows and stripteases for each other. I'll never give up guys, but right now I'm having the hottest, wettest, juiciest sex of my life with Katie! — *Michelle, London*

HOLIDAY BLUES

playing away from home

Four's Company

Hi, my name's Cindy, and I'd like to tell your readers what happened when I went on holiday with my best friend, Julie, a couple of months ago. Both Julie and I have steady boyfriends, but we like to get away for a while every year — so we can be open about our feelings for each other!

Yes, Julie and I have been lezzie lovers for a while now, and although I'm sure the guys would be delighted — and very turned on — if they knew about it, we like to keep it as our horny secret. But once we're on holiday we don't have to be shy, and that's what leads to adventures like this...

We were staying in a lovely little village in the South of France, enjoying the late summer sunshine and the great wine, and having a lot of fun chatting up the local guys and girls. We quickly settled into a very enjoyable routine: get up late, spend the day exploring the countryside and neighbouring villages, then go to a local bar before returning to our cottage for a night of pussy licking!

One day we decided to take a picnic and go exploring. After wandering through the fields all morning we settled down in the sun to eat our lunch and share a bottle of wine. Then we lay down to enjoy the sunshine, and before long I knew from Julie's deep breathing that she was asleep. I studied her for a while. Like me, she's 21, with long brown hair and a very curvy figure. The two of us look so much alike that people often mistake us for sisters. Maybe that's what adds to the fun!

Sunshine always makes me feel horny anyway, and staring at Julie, her long hair loose and her skin lightly tanned, soon got me feeling aroused. I could feel my nipples swelling up under my thin cotton dress, and my pussy was beginning to tingle and get damp with my juice. So I kissed Julie softly on the lips and ran my hand over her boob, waking her up in the sexy way that always gets her ready for action!

Julie slowly opened her eyes and smiled at me. I was buzzing with excitement as I ran my hand up her skirt, reaching her panties and wriggling my fingers inside them to stroke her slit. She was wet already — maybe

she'd been dreaming about sex, as usual! Quick as a flash I had her dress up around her waist and her panties off, so I could lick her sweet tasting pussy. Julie spread her legs wide so I could explore every inch of her cunt, teasing her by tickling her lightly with my tongue, then plunging it right in to make her moan with pleasure. I know just what to do to make her come, but I like to draw it out and keep her on the edge for as long as I can, so when she does reach her climax it's so powerful she's exhausted afterwards!

Julie was moaning and rubbing her clitty frantically by the time I finally took her over the edge and into an amazing orgasm. Her juice gushed all over my wet tongue as her pussy walls trembled against me.

The two of us were just getting our breath back when we heard voices coming closer. We quickly straightened ourselves up and looked around to see two slender figures in summer dresses moving towards us. It was two girls walking across the field.

When the girls got close enough that we could get a good look at them, Julie and I exchanged glances of surprise. It was like seeing ourselves in a mirror! They both had long brown hair, just like us, and were even the same build. They were also both very pretty and sexy. Julie licked her lips, and I knew she was thinking exactly the same thing as me.

"Let's call them over," she suggested, and when I nodded she called out, "Hallo! Bonjour!" The two girls said something to each other, giggled, and came over to us.

"Bonjour!" said one. "You are English, no?"

"Yes," I relied. "I'm Cindy, and this is my friend Julie. We're on holiday here."

"I am Anais, and this is Marie," the girl smiled. Something about the way her dark brown eyes met mine sent a tingle right through me. Had Julie and I met a couple of horny lezzies like us out here in the French countryside? I couldn't believe our luck!

Anais told us she lived and worked in a nearby inn, and invited us back for lunch. As we walked along, she linked her arm through mine, and Marie took Julie's hand. I could feel heat spreading through my body from Anais' touch, and I kept wondering if her body was just like mine under her thin dress.

Back at the inn, Anais ordered a special lunch for us, and led us around into a private yard which backed onto a big garden. I was just wondering how to make the first move when she swept me into her arms and started kissing me. Her lips were very soft and warm, and I found myself shivering with anticipation as her hand slid down the front of my dress, undoing the little buttons as it went. When it was open to my waist she slipped it right off my shoulders, exposing my big boobs.

Marie murmured her approval, and I saw her begin to caress Julie's tits through her dress. Then Anais began to suck and lick my hard nipples. My cunt was really juicing up, and I really wanted to feel her slender fingers inside it.

"Fuck me, fuck me please," I gasped, and at once Anais pulled my dress right off and began to stroke my pussy lips through my panties. My juice was soaking right through the material, wetting her fingers, and I was so aroused that when she knelt between my legs and licked the crotch of my panties hard I came straight away.

The waves of that first climax were still rushing over me when she pulled my panties off and spread my legs apart. She ran one finger along my dripping slit, stroking my clitty and then pushing it right up into my hole. My gasp of pleasure prompted her to add a second and third finger and she began to pump them in and out, rubbing her thumb over my clit at the same time, until I came again.

Not even Julie can make me come as quickly as that, and I was eager to see if I

could have the same effect on Anais as she was having on me! I pulled her dress and lacy panties off and knelt over her in a 69 position so she could keep fingering my pussy as I spread her lovelips and began to lick her. She tasted delicious, tangy and much saltier than Julie, who I could see out of the corner of my eye was using her expert tongue action on Marie's shaven cunt. The whole scene was getting me incredibly horny, watching my lezzie lover dip her tongue into the pretty, hairless snatch of an exotic French girl while I did the same to her sexy friend — it was like a fantasy come to life!

Then Anais replaced her fingers with her tongue, licking my cunt at the exact speed and rhythm that I licked hers. As I felt her begin to tremble I increased the pace and she followed my lead, until we came together, collapsing in a quaking pile of limbs.

Just then I heard footsteps approaching and looked at Anais in alarm, but she grinned and said, "Don't worry, it's only the cook, Jean-Luc. You'll like him."

And she was right! Jean-Luc was the horniest looking guy I'd seen in ages, and when he caught sight of us four girls lying in the sun with boobs and pussies exposed and glistening with juice, he nearly dropped the tray of food he was carrying! I could see the promising bulge in his jeans swelling up as he took in the scene.

"Jean-Luc, meet Cindy and Julie," said Anais. "Let's find out if they like guys as well as girls!"

That was all the invitation Jean-Luc needed, and quick as a flash his jeans were around his ankles and his stiff pole was standing up to attention. I wasn't going to let one of the others get to him first, so I knelt up in front of him and wrapped my lips around that lovely rigid dick. At once I realised how hungry for cock I was — even with all the amazing pussy licking I'd been enjoying!

My tongue massaged the underside of Jean-Luc's cock as I sucked it in and out, feeling it grow even more in my mouth. But obviously Jean-Luc wanted to fuck as much as I did, because suddenly he sank down onto his back, pulling me on top of him so I was straddling him. His thick cock slid into my cunt and my inner walls gripped him snugly as I started to hump up and down.

Marie was watching closely, rubbing her boobs and fingering her soaking pussy as she saw Jean-Luc's hard meat slide in and out of me, shining with pussy juice. Meanwhile, Julie and Anais were licking each other out, pausing every few seconds to look at us.

The combination of my humping action and the lezzie frolics around him soon had Jean-Luc ready to shoot his load; but when he started to groan, Julie obviously realised that he was just about to come.

"Don't you dare save all the spunk for yourself, Cindy," she yelled, pulling me up off Jean-Luc and guiding his cock up into my big cleavage. I certainly had no objections to sharing his creamy load with my best friend, so I wrapped my tits around his shaft and wanked him with them until he shot a thick stream of come over me. Then all three girls set to work on me.

Julie and Anais were licking one boob each, circling the nipples in a way which got me horny all over again, while Marie licked my wet cunt until I came. Jean-Luc got hard again pretty quickly watching all this action, and he soon slid his cock into Marie from behind as she lapped at me.

We didn't stop that afternoon until all four of us girls had fucked Jean-Luc — and then we got up to some even naughtier things with the whipped cream and honey which he'd brought out on his tray!

When Julie and I got back home from our horny holiday, naturally our boyfriends asked us if we'd had a good time. Of course, we said yes; but as to why, well, that's a secret between her, me, and all you horny Club readers! — *Cindy, Norfolk*

Long, Hot Summer...

With the days being so cold and dreary at the moment and the nights long and freezing, I've been thinking back to the summer, and in particular the many sexy encounters my boyfriend Howard and I had during that time. I don't know what it is about the hot weather, but it just makes me feel incredibly randy. I can't get enough sex during the summer months, and this year was better than ever!

Howard and I were incredibly rampant, especially with the excitement of moving into our new house, and we fucked and sucked each other into a frenzy for what seemed like weeks on end without a break, doing it everywhere in the new house that we could, and even in the garden in full view of all our neighbours.

I thought I'd tell you about what happened just days after we first moved in. It was one of the hottest days of the year and I was lounging about in the garden with my bikini bottoms on (for the sake of decency only — after all, we'd only just moved in) while Howard was wearing just a pair of very skimpy denim cut-offs which showed off his brown and gleaming pectorals and rippling biceps. He was trying to work the industrial grass cutter he'd hired to cut the two foot high grass that had sprung up in the garden since the previous owners had moved out.

I couldn't take my eyes off the way his body looked so shiny and smooth in the heat. As I lay there watching him, I started fantasizing about running my tongue all over that body, licking him lower and lower down his stomach, until his cock was so throbbing and hard that he'd be begging me to suck him off and swallow all his come. Without realising it, my fingers had wandered down inside my bikini bottoms and I was frigging my clitty, feeling those familiar pleasurable sensations coursing through me. I love that feeling, just slowly building myself up to having a fuck by playing with myself, and usually Howard loves to watch me masturbate, but that day he wasn't even looking at me. He was busy wrestling with the huge mower.

Pushing my bikini bottoms down and giving a quick glance around, I slipped a finger right up inside my pussy and carried on stroking my clit with my thumb, feeling the muscles of my pussy start to clench as I frigged. I climaxed after only a couple of minutes, my legs lying apart on the lounger, the crotch of the bikini bottoms pulled right up into my crack and now soaking wet. I could see Howard getting agitated in the long grass — the mower looked as if it had conked out — his body pouring with sweat which made his naked chest look hornier than ever.

Not caring that anyone might see me from the neighbouring houses, I got up and stretched, finally getting Howard's attention. He couldn't believe his eyes as he saw my bare nipples pointing up to the sun, just waiting to be fed into his mouth, and he must have been able to see the sheen of love juice coating my inner thighs. Grinning, I walked through the thigh high grass and rubbed my boobs over his chest, which made him get a hard-on immediately; and when I started circling my hips against his groin, groaning as I felt the soft denim of his cut-offs rubbing on my bare stomach, he moaned and reached down to unzip his flies.

I was on my knees in a trice and sucking his cock hard, really working my gums over it. It was throbbing so hard I could feel it expanding inch by delicious inch in my mouth, and I played the tip of my tongue on the knob-end, making him squirm.

It was really developing into one of my special blow-jobs, the sort that culminate in him spraying his come all over my face and then watching me greedily lick up every drop that my tongue can reach, when I felt Howard stiffen — but not in the way that I wanted.

"Oh Christ!" Howard exclaimed, and as I turned around, still on my knees, I could see the object of his consternation — our next door neighbour Julie was standing on the patio, staring at the sight of the new neighbour who she'd had coffee with the morning before giving an expert blow-job in broad daylight!

I was completely speechless for a second (besides, I was still savouring the flavour of Howard's cock in my mouth), thinking that Julie was going to burst out about how disgusting our behaviour was, and that we should be ashamed of ourselves, but to my surprise she smiled and looked as if she'd like to join in!

Howard and I exchanged glances. We're never averse to a threesome, and this seemed like the perfect opportunity to find out whether there was any group action in our new

neighbourhood. I stood up and beckoned Julie over. "Sorry you walked in on us — we got a bit carried away out here," I said to her.

"So would I if my hubby had a body like Howard's," Julie replied, and my heart leapt with pleasure, because I knew that what both Howard and I wanted to happen was about to.

"Why don't you come and finish what I've started then?" I suggested to Julie. "I love watching other women sucking Howard's prick."

Julie was more than eager, and before I knew it she was on her knees, rubbing Howard's cock over her large, full boobs and playing it over the nipples that were poking right through her thin top. Howard was straining not to shoot his load, he was so excited that a virtual stranger was getting ready to finish sucking him off. I must admit that the sight of Julie taking my boyfriend's cock into her mouth very slowly and carefully, as if it was some kind of precious piece of art, made me randier than I'd felt for ages. It felt as if my pussy was about to explode.

Julie was really sucking hard now, her cheeks puffing out with the effort of taking Howard's fat cock right to the back of her throat then to the front again. I felt a bit left out, standing there just frigging myself, so while Julie was on her knees, I knelt behind her and reached around to play with her boobs inside her top. I was pulling and manipulating the nipples until they were as big and hard as conkers, and Julie was moaning and pushing her buttocks back against me, urging me to touch her even more intimately.

Reaching down, I pulled up her denim mini-skirt and pushed aside the gusset of her thong panties, before plunging a finger into her sopping cunt. Christ, she was so wet that I could almost get my whole hand in! Gently I introduced another and then another finger inside her, until I was pumping at her with three fingers from behind. She started pushing her buttocks against my boobs harder and harder, begging me not to stop. I could tell that she was nearly coming by the way her cunt walls were gripping my fingers, and her clitty was so wet my thumb was sliding all over her slit.

Howard then moaned that he couldn't hold back any longer, and groaned as he emptied his cock all over Julie's gaping mouth and down her chin. It really turned me on the way she held it at arm's length while he directed his spunk at her and she swallowed the lot greedily.

The sight had aroused me so much that I had to have an orgasm myself, and I decided that I wanted Julie to make me come while Howard watched. I moved so that I was kneeling right up, and anyone looking into our garden would have got a prize view of my blonde hair swinging and my boobs fully on show. If they looked even further down into the grass, they'd have seen Julie's dark head dipping down to my hairy bush and her tongue snaking right into my steaming slit.

"You've done this before," I panted to Julie as her expert tongue licked me to several climaxes one after the other. I was so pleased to discover that my neighbour was bisexual — I had visions of all the fun we could have together while Howard and Julie's hubby Phil were out at work! And Julie's tongue was making me come like I hadn't come for weeks.

Howard always gets hard when he watches me with another girl, and I soon noticed that his cock was pointing skyward again, even though he'd only just spilled his load for Julie. It was still sticky with her saliva and I stared at it, totally horny as Julie's tongue darted in and out of my love hole, my legs buckling and threatening to make me fall over. After I'd come once, then twice, shouting out loudly each time, Howard decided that enough was enough — he wanted to fuck my pussy.

Next minute, I was on my back looking up at the sky from my bed of long grass, with Howard and Julie completely undressing me between them. Then Howard lifted my legs on to his shoulders and quickly flicked his tongue around my love hole before positioning himself so that he could push his cock into my cunt with one fluid thrust.

It was ecstasy, and Julie soon added to Howard's rhythmic fucking by pushing her index finger into my cunt alongside Howard's cock, then catching his rhythm so that they were both fucking me. It felt so incredible, having a man and woman fucking me at the same time. Julie manoeuvred herself so that she could French kiss me at the same time, and we swapped the tastes in our mouths — Julie tasted of Howard's come. Her tongue really probed in my mouth as we kissed for a long time without stopping, and the sight of that just made Howard steamhammer into me even faster.

"Come inside me," I urged him. "I want to have your come dripping out of me. I want you to shoot up me!"

At that moment I didn't give a toss if any of the other neighbours heard me — all I wanted was to feel that hot spurt in my cunt. I was soon rewarded as Howard panted that he was coming, and Julie's finger finished me off by rubbing my clitoris until I felt I'd explode with the force of my climax.

It was a long time before we recovered from that threesome, but Howard and I soon got very friendly with Julie and Phil, and now enjoy group sex and partner swapping with them on a regular basis. And Howard is quite happy for me to pop round to Julie's house every day for some lesbian sex — it makes me so well lubricated that when he comes home I practically jump on him. I just hope all your readers have sex lives that are as exciting and varied as mine — and reading *Couples Confess* always helps to give us a few sexy ideas too! — *Tracy, Southgate* ♣

Photographs by Jack Harrison

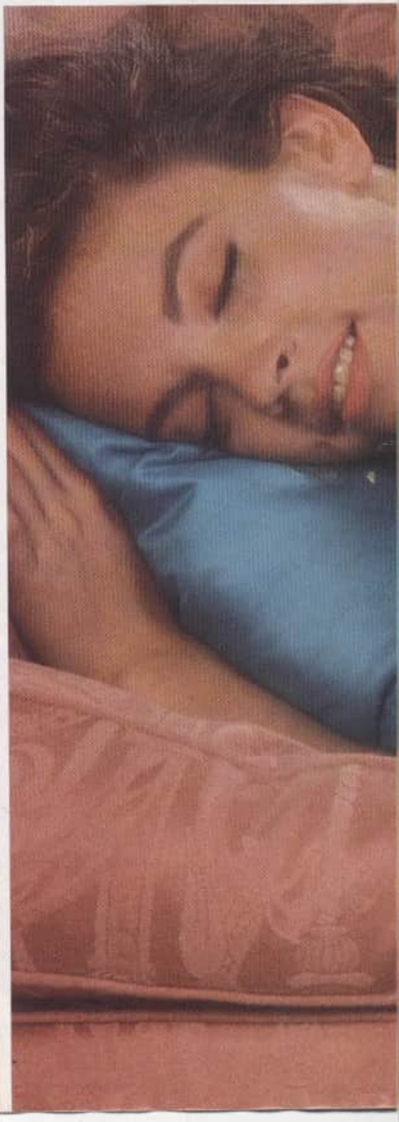
Back by popular demand is bouncy brunette Heidi, who's been walking on air since her appearance in Club last month.

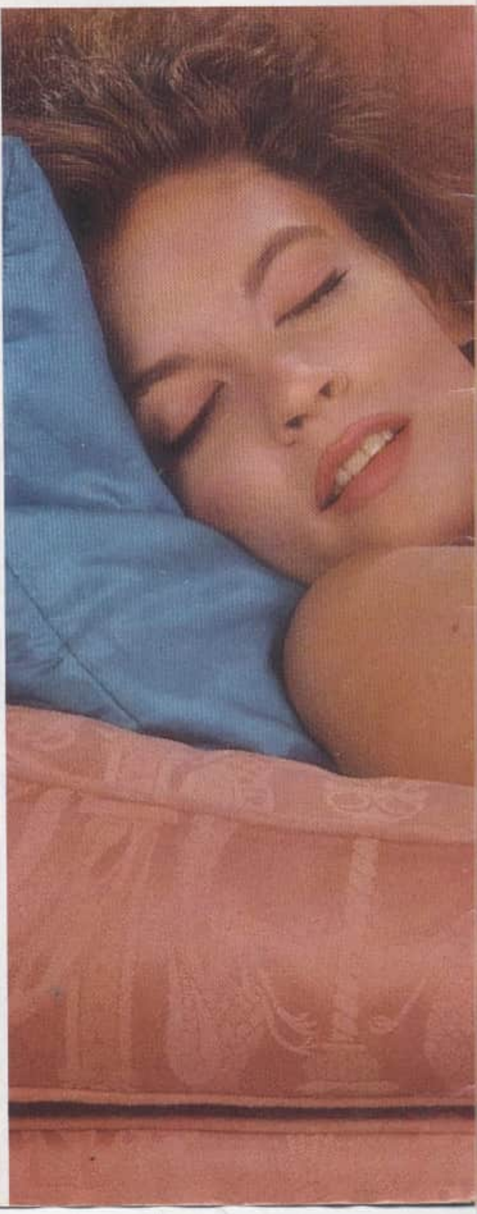
"I can't believe all the letters that you fellas sent in," gushes Heidi, enthusiastically, "you really know how to flatter a girl!

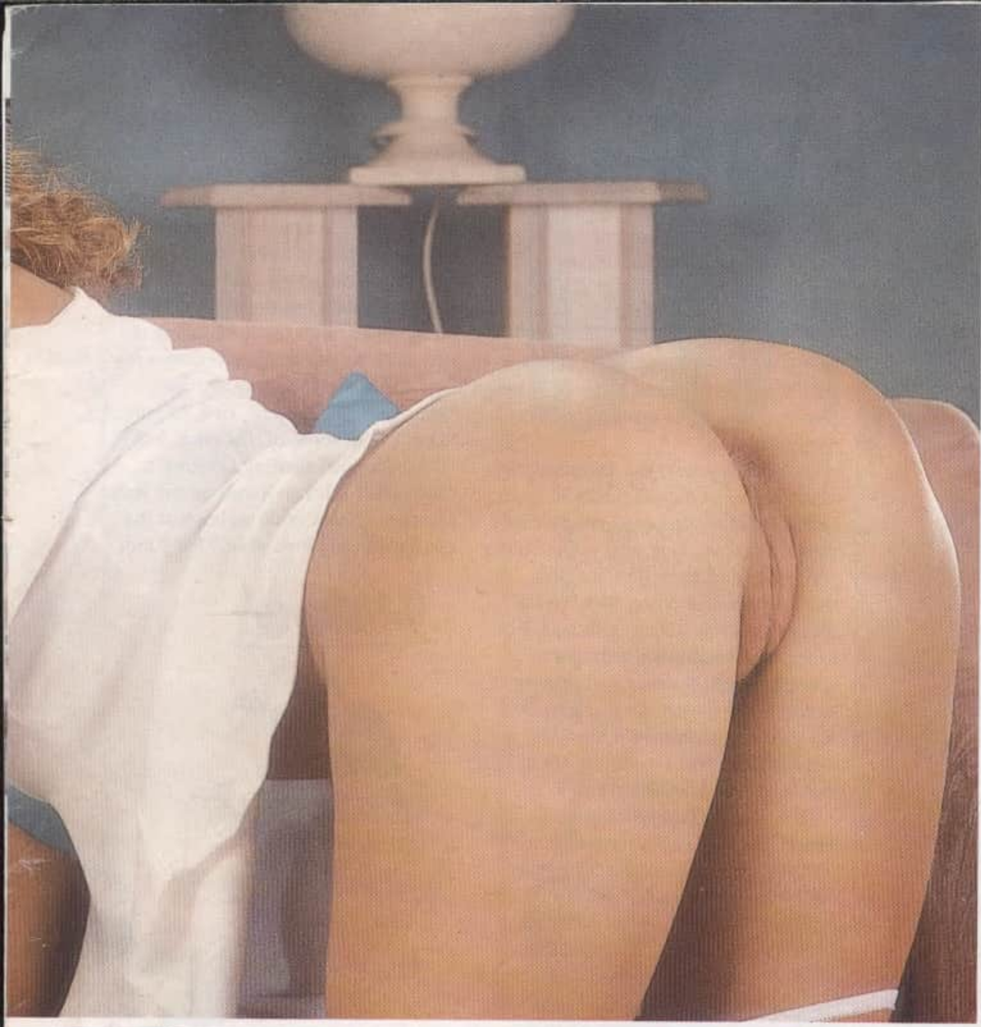
"I've kept all the letters, and I promise to read every single one... especially the really naughty ones! It gets me incredibly randy just thinking



about them — and I'm sure I don't need to tell you guys what happens when I feel like that now, do I?

"In fact, I've got my fingers in my pussy right now, mmm... now you know why I've got such a big smile on my face in these pictures, don't you, guys?" ♣





COMING IN club

Happy Birthday to Us!

Next month Club is 21!!! Hooray! Brilliant, isn't it? So what are we doing to celebrate this exciting occasion? Absolutely stuff all, apart from putting in lots of photographs of Lisa Anne here taking all her clothes off. (She just happens to be 21 at the same time — neat, huh?) Oh, and a centrefold featuring your favourite girl of 1991, as well as the complete results of our Girl of the Year poll. And lots more photosets of stunning girls. And the horniest letters in the business. All of which is quite enough to celebrate a crappy old birthday, we think. ♣

IN·THE·BAG

continued from page 43

busty, with long blonde hair and long legs; whereas Tina has olive skin, long dark hair and looks quite exotic and Mediterranean.

We usually spend our Saturday night down in one of the wine bars in town, and if we're feeling particularly randy, then we'll often both chat up one bloke and invite him back for a thrilling threesome at our place. Most of the blokes are quite young, although we broke with tradition last Saturday. I spotted a middle-aged businessman sitting in the corner alone. He wasn't the sort of guy that we'd normally go for, but there was something about him that made my knickers wet.

Tina thought he looked quite interesting too; so we went over and introduced ourselves. To cut a long story short, his name was Gregory and the three of us got on famously, so much so, that when we suggested a nightcap back at our place, he agreed.

The three of were pretty drunk, and we just about about managed to get into our flat without disturbing to many of the neighbours! Once inside, Tina put on some smoochy music and flirted outrageously with Gregory, while I got a bottle of wine out of the fridge.

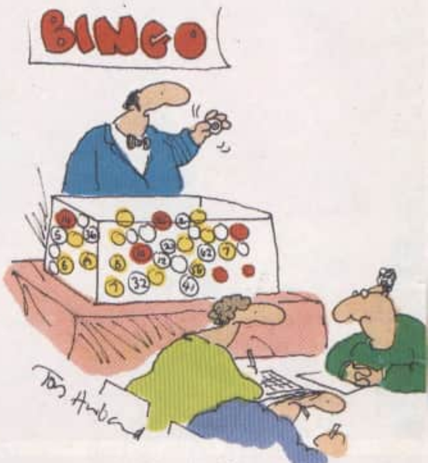
When I came back, Tina hadn't wasted any time at all; she was sitting beside him on the sofa, and they were both giggling and laughing. Time to put the plan of action into effect. As I walked towards them with a couple of glasses of wine, I 'accidentally' spilled a glassful over Tina's blouse. "Oh dear, Denise," she giggled, "you've made me all wet. I'd better get this off, before it soaks through."

As Tina started to slowly undo the buttons on her blouse, Gregory's eyes lit up and he watched intently, as her blouse fell to the floor, and her shapely breasts were enclosed in a tiny half cup bra. I could tell he was impressed with Tina's body, as his dick was straining against his trousers. I walked over to him slowly, and undid his shirt and tie.

Tina broke off from her striptease, kneeled in front of him and undid his trousers. A thick veiny cock came into sight, and Tina wasted no time at all in getting to grips with it. Peeling back his foreskin, she ran her tongue all around his purple helmet and then swallowed his length into her mouth.

Meanwhile, I got down on all fours on the floor, with my bum facing the two of them and reached between my legs and started frigging my cunt. "Hey, don't be greedy, Tina," I purred. "Don't I get some of that cock, huh?"

Tina stopped sucking Gregory's cock, and I felt two hands on my bum, and then a thick cock nudging at the entrance to my love-hole. "Fuck me, Gregory," I squealed. "Fuck me as hard as you can!" The next thing I knew, Gregory had pushed his cock right up to the hilt, and I felt his balls slapping against my bum.



Anyone lost a glass eye?

Frissons of orgasmic delight pulsed through my cunt, and I felt myself coming over and over again. I was screaming the place down and my pussy felt like it was on fire. Gregory really was one amazing fuck! I gripped his cock with my pussy walls and Gregory gave one final thrust and pulled his cock out and Tina greedily clamped her lips around his bell-end and lapped up all his creamy come.

Gregory now comes around most Friday nights, and he's got enough staying power to satisfy both of us. We never bother with foreplay, we just get down to straight fucking... he's one man who really knows how to satisfy not just one, but two, very cock hungry women! — *Denise, Dorset* ♣

SON OF BAD JOKE

Yet another joke from a sad, illiterate individual winds its way onto the packed pages of Britain's premier boob-filled magazine. This (dis)interesting little missive comes courtesy of Jake from Hull...

An Englishman, Scotsman and an Irishman sat in a pub discussing their son's names. The Englishman said: "I named my son George, 'cos he was born on St George's Day."

The Scotsman said: "I named my son Andrew, 'cos he was born St Andrew's Day."

"Funny you should mention that," said the Irishman, "'cos I was talking to my son Pancake the other day... " ♣
